Written comments should be received within 60 days of this notice.

Proposed Project

Collection of Assessment Information about the Centers for Disease Control and Prevention Publications—NEW—National Center for Health Marketing (NCHM), Centers for Disease Control and Prevention (CDC).

Background and Brief Description: As part of CDC's Future's Initiative, the National Center for Health Marketing was created to ensure that health information, interventions, and programs at CDC are based on sound science.

Numerous CDC-operated communication platforms targeting scientific, professional, and technical audiences have been developed in the past twenty years. The reach of many of these platforms has increased significantly in the past five years. In order to ensure future growth, it is
