

Third Revised Sheet No. 309

Northern states that the purpose of the filing is to add a provision to the general terms and conditions of its tariff stating that, upon request, Northern will negotiate with a delivery point operator regarding how Northern will manage the quality of gas delivered to the delivery point operator.

Northern states that the copies of the filing have been mailed to each of its customers and interested state commissions.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

PJM Interconnection, L.L.C.; Notice of Filing

June 10, 2005.

Take notice that on June 1, 2005, PJM Interconnection, L.L.C. (PJM) submitted revisions to the PJM amended and restated operating agreement (operating agreement) concerning the confidentiality and scheduling and dispatch provisions of the Operating Agreement. PJM states that the proposed revisions expand the scope of sections 18.17.1(b) and 1.76(a) of the PJM OA, respectively, to enable the office of the interconnection to provide member confidential documents, data or other information to reliability coordinators that are responsible for overseeing electric system reliability operations of regions outside of the PJM service territory, and enable the office of the interconnection to recognize transmission constraints on all coordinated flowgates external to the PJM region. PJM requests an effective date of August 1, 2005.

PJM states that copies of this filing have been served on all PJM members and the utility regulatory commissions in the PJM region.

Any person desiring to intervene or to protest in any of the above proceedings must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214) on or before 5 p.m. Eastern time on the specified comment date. It is not necessary to separately intervene again in a subdocket related to a compliance filing if you have previously intervened in the same docket. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. In reference to filings initiating a new proceeding, interventions or protests submitted on or before the comment deadline need not be served on persons other than the applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper, using the FERC Online links at <http://www.ferc.gov>. To facilitate electronic service, persons with Internet access who will eFile a document and/or be listed as a contact for an intervenor must create and validate an

eRegistration account using the eRegistration link. Select the eFiling link to log on and submit the intervention or protests.

Persons unable to file electronically should submit an original and 14 copies of the intervention or protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

The filing in the above proceeding is accessible in the Commission's eLibrary system. It is also available for review in the Commission's Public Reference Room in Washington, DC. There is an eSubscription link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). [Docket No. CP05-371-000]

Southern Star Central Gas Pipeline, Inc.; Notice of Application

June 10, 2005.

On June 9, 2005, Southern Star Central Gas Pipeline, Inc. (Southern Star), pursuant to section 3 of the Natural Gas Act (NGA), and part 157 of the regulations of the Federal Energy Regulatory Commission (Commission) filed an abbreviated application for abandonment by sale to Keystone Gas Corporation (Keystone) of Southern Star's Mulhall-Drumright line consisting of approximately 46.4 miles of 12 and 16-inch diameter steel pipe and appurtenances located in Creek, Payne, and Logan Counties of Oklahoma. Southern Star also requested a jurisdictional determination exempting the facilities operation from NGA jurisdiction following the sale.

Southern Star states that the facilities were originally constructed in 1947 to support Southern Star's former merchant function and provide mainline transmission, but in more recent years has only served to gather gas from local producers and provide limited gas service to various parties along the system, which will continue upon the transfer of facilities to Keystone, as more fully described in the application. This filing is available for review at the Commission or may be viewed on the Commission's Web site at <http://www.ferc.gov>, by using the eLibrary (FERRIS) link.
