The answer may consent to this Order. Unless the answer consents to this Order, the answer shall, in writing and under oath or affirmation, specifically set forth the matters of fact and law on which the licensee or other person adversely affected relies and the reasons as to why the Order should not have been issued. Any answer or request for a hearing shall be submitted to the Secretary, Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, ATTN: Rulemakings and Adjudications Staff, Washington, DC 20555-0001. Copies also shall be sent to the Director, Office of Nuclear Reactor Regulation, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, to the Assistant General Counsel for Materials Litigation and Enforcement at the same address; to the Regional Administrator for NRC Region I, II, III, or IV, as appropriate for the specific facility; and to the licensee if the answer or hearing request is by a person other than the licensee. Because of potential disruptions in delivery of mail to United States Government offices, it is requested that answers and requests for hearing be transmitted to the Secretary of the Commission either by means of facsimile transmission to (301) 415-1101 or by e-mail to hearingdocket@nrc.gov, and also to the Office of the General Counsel either by means of facsimile transmission to (301) 415-3725 or by e-mail to OGCMailCenter@nrc.gov. If a person other than the Licensee requests a hearing, that person shall set forth with particularity the manner in which his interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR 2.714(d).

If a hearing is requested by the licensee or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearing. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained.

Pursuant to 10 CFR 2.202(c)(2)(i), the licensee may, in addition to demanding a hearing, at the time the answer is filed or sooner, move the presiding officer to set aside the immediate effectiveness of the Order on the ground that the Order, including the need for immediate effectiveness, is not based on adequate

evidence but on mere suspicion, unfounded allegations, or error.

In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions specified in Section III above shall be final twenty (20) days from the date of this Order without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section III shall be final when the extension expires if a hearing request has not been received.

An answer or a request for hearing shall not stay the immediate effectiveness of this order.

Dated at Rockville, Maryland, this 10th day of June 2005.

For the Nuclear Regulatory Commission.

Director, Office of Nuclear Reactor Regulation.

Issuer Delisting; Notice of Application of Kimberly-Clark Corporation To Withdraw Its Common Stock, \$1.25 Par Value, Per Share, From Listing and Registration on the Pacific Exchange, Inc.

June 14, 2005.

On May 25, 2005, Kimberly-Clark Corporation, a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$1.25 par value ("Security"), from listing and registration on the Pacific Exchange, Inc. ("PCX").

The Board of Directors ("the Board") of the Issuer approved a resolution on April 28, 2005 to withdraw the Security from listing on PCX. The Board stated that the reason it decided to withdraw the Security from PCX is that the benefits of continued listing on PCX do not outweigh the incremental cost of the listing fees and administrative burden associated with listing on the exchange. In addition, the Board stated that it is desirable for the Issuer to remove its Security from PCX listing because of the modest volume of trading in the Security on PCX does not justify the expense and administrative time associated with remaining listed on PCX. The Issuer stated that the Security is currently traded on the New York Stock Exchange, Inc. ("NYSE"), the Issuer's principal listing exchange, and on the Chicago Stock Exchange, Inc. ("CHX").

The Issuer stated in its application that it has complied with applicable rules of PCX Rule 5.4(b) by providing PCX with the required documents governing the withdrawal of securities from listing and registration on PCX.

The Issuer's application relates solely to the withdrawal of the Securities from listing on PCX and shall not affect its continued listing on CHX and NYSE or its obligation to be registered under Section 12(b) of the Act.³

Any interested person may, on or before July 11, 2005 comment on the facts bearing upon whether the application has been made in accordance with the rules of PCX, and what terms, if any, should be imposed by the Commission for the protection of investors. Issuer Delisting; Notice of Application of Pioneer Railcorp To Withdraw Its Class A Common Stock, \$.001 Par Value, From Listing and Registration on the Chicago Stock Exchange, Inc.

June 13, 2005.

On May 18, 2005, Pioneer Railcorp, an Iowa corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its class A common stock, \$.001 par value ("Security"), from listing and registration on the Chicago Stock Exchange, Inc. ("CHX" or "Exchange").

The Board of Directors ("Board") of the Issuer approved a resolution on September 20, 2004 to withdraw the Security from listing and registration on CHX. The Issuer stated that the reasons for the Board's decision to withdraw the Security from CHX are: (1) The Issuer is in the process of attempting to go private and believes it will be successful in that endeavor; (2) upon completion of the going private transaction, the Issuer will no longer file periodic and other reports under the Act as required by the Exchange; and (3) the Security is currently quoted on the over-the-counter Pink Sheets and the Board believes the Pink Sheets will offer an adequate and efficient market for trading the Security. In addition, as a result of low trading volume, the Issuer no longer has a market maker for its Security on the Exchange and is traded in "Cabinet."

The Issuer stated in its application that it has complied with applicable rules of CHX, by providing CHX with the required documents governing the removal of securities from listing and registration on CHX. The Issuer's application relates solely to the withdrawal of the Security from listing on CHX and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before July 6, 2005, comment on the facts bearing upon whether the application has been made in accordance with the rules of CHX, and what terms, if any, should be imposed
