ACTION: Scheduling of expedited five-year reviews concerning the antidumping duty orders on porcelain-on-steel cooking ware from China and Taiwan, and the countervailing and antidumping duty orders on top-of-the-stove stainless steel cooking ware from Korea and Taiwan.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty orders on porcelain-on-steel cooking ware from China and Taiwan, and the countervailing and antidumping duty orders on top-of-the-stove stainless steel cooking ware from Korea and Taiwan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background—On June 6, 2005, the Commission determined that the domestic interested parties group responses to its notice of institution (70 FR 9974, March 1, 2005) of the subject five-year reviews were adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.^{1 2} Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff report—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on July 1, 2005, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

² Vice Chairman Deanna Tanner Okun and Commissioner Daniel R. Pearson concluded that the domestic group responses for these reviews were adequate and the respondent group response was inadequate, but that circumstances warranted a full review.

³ The Commission has found the responses submitted by Columbian Home Products, LLC and the Stainless Steel Cookware Committee to be individually adequate. Comments from other interested parties will not be accepted) (see 19 CFR 207.62(d)(2)).

July 8, 2005 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by July 8, 2005. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 Fed. Reg. 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II(C) of the Commission's Handbook on Electronic Filing Procedures, 67 Fed. Reg. 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determinations.—The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Description: The U.S. Department of Labor (DOL) provides a wide range of services to a diverse American workforce. As part of its obligation to

provide equal employment opportunities, DOL is charged with ensuring that qualified individuals in groups that have historically been underrepresented in various employments are included in applicant pools for Departmental positions. See 5 U.S.C. 7201(c); 29 U.S.C. 791; 5 CFR 720.204. To achieve this goal, DOL employment offices have targeted recruitment outreach to a variety of sources. Included in these sources are educational institutions which historically serve a high concentration of minorities, women, and persons with disabilities. Outreach efforts also extend to professional organizations, newspapers and magazines, as well as participation in career fairs and conferences, many of which reach high concentrations of historically underrepresented groups.

Without the information from this collection, DOL does not have the ability to evaluate the effectiveness of any of these targeted recruiting strategies because collection of racial and ethnic information only would occur at the point of hiring. DOL needs to collect data on the pools of applicants which result from the various targeted recruiting strategies listed above. With the information from this collection, DOL can adjust and redirect its targeted recruitment to ensure that the applicant pools contain candidates from historically underrepresented groups.

Departmental Clearance Officer.
