SUPPLEMENTARY INFORMATION:

I. Background

OSHA intends to re-charter MACOSH for another two years. MACOSH was established to advise the Secretary on various issues pertaining to providing safe and healthful employment in the maritime industries. The Secretary consults with MACOSH on various related subjects, including: ways to increase the effectiveness of safety and health regulations that apply to the maritime industries, injury and illness prevention, the use of stakeholder partnerships to improve training and outreach initiatives, and to increase the national dialogue on occupational safety and health. In addition, MACOSH provides advice on enforcement initiatives that will help improve the working conditions and the safety and health of men and women employed in the maritime industry.

II. Nominations

OSHA is looking for MACOSH members who have a strong interest in the safety and health of workers in the maritime industry. The Agency is looking for nominees to represent the following interests and categories; employees, employers, State or Federal safety and health organizations, professional organizations, and national standards setting groups.

OSHA seeks a broad-based and diverse membership for MACOSH. Nominations of women and minorities are encouraged. Nominations of new members or renominations of former or current members will be accepted in all categories of membership. Interested persons may nominate themselves or may submit the name of another person who they believe to be interested in and qualified to serve on MACOSH. Nominations may also be submitted by organizations from one of the categories listed above. Nominations should include the name, address, and telephone number of the candidate. Each nomination should include a summary of the candidate's training or experience relating to safety and health in the maritime industry and the interest the candidate represents. In addition to listing the candidate's qualifications to serve on the committee, each nomination should state that the person consents to the nomination and acknowledges the responsibilities of serving on MACOSH.

National Advisory Committee on Occupational Safety and Health; Notice of Meeting

Notice is hereby given of the date and location of the next meeting of the National Advisory Committee on Occupational Safety and Health (NACOSH), established under Section 7(a) of the Occupational Safety and Health Act of 1970 (28 U.S.C. 656) to advise the Secretary of Labor and the Secretary of Health and Human Services on matters relating to the administration of the Act. NACOSH will hold a meeting on July 14, in Room N4437 (B-D), U.S. Department of Labor, located at 200 Constitution Avenue, NW., Washington, DC. The Meeting is open to the public and will begin at 9 a.m. on July 14 and end at approximately 4:45 p.m.

Agenda items will include updates on activities of both the Occupational Safety and Health Administration (OSHA) and the National Institute for Occupational Safety and Health (NIOSH), as well as follow-up reports from OSHA/NIOSH staff regarding NACOSH workgroups. Presentations will also be made on the following subjects: National Occupational Research Agenda, Enforcement Update, Alliances and Partnerships, and Standards Update.

Written data, views or comments for consideration by the committee may be submitted, preferably with 20 copies, to Wilfred Epps at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such

requests will be considered by the Chair who will determine whether or not time permits. Any request to make an oral presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation. Individuals with disabilities who need special accommodations should contact Veneta Chatmon (phone: 202-693-1912; fax: 202-693-1634) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2625 at the Department of Labor Building (202-693-2350). For additional information contact: Wilfred Epps, Occupational Safety and Health Administration (OSHA); Room N3641, 200 Constitution Avenue, NW., Washington, DC, 20210 (phone: (202) 693-1857; fax: (202) 693-141; e-mail Epps.Wil@dol.gov); or check the National Advisory Committee on Occupational Safety and Health information pages located at <http://www.osha.gov>.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Temporary Change in Hours at Regional Archives

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of temporary change in research room hours at the Mid Atlantic Regional Archives in Philadelphia.

SUMMARY: The Mid Atlantic Regional Archives, located at 900 Market Street, Philadelphia, PA, will be temporarily closed to researchers on Tuesdays from the week of June 26, 2005 through the week of September 4, 2005, to allow staff to complete activities necessary for a planned relocation of certain, infrequently used records to an offsite storage facility with improved environmental controls.

DATES: June 27, 2005 through September 9, 2005.

FOR FURTHER INFORMATION CONTACT: Leslie.Simon at 215-606-0101.

SUPPLEMENTARY INFORMATION: The Mid Atlantic Regional Archives is in the middle of a planned move of a number

of certain, infrequently used records to offsite storage to reduce rental costs and preserve the records space with better archival environmental controls. The records will not be accessible while in transit. After the move, these records will be accessible through the Mid Atlantic Regional Archives. Relevant entries in the Archival Research Catalogue (ARC) will be updated to reflect location and access changes.

The temporary, once-weekly closure will allow staff to complete activities necessary for the move (such as reboxing and cataloguing). To assist extended-stay researchers, NARA selected Tuesday for temporary closing to avoid conflict with the regular closing hours of other related Philadelphia institutions, such as the Historical Society of Pennsylvania's genealogy and manuscript collections, which are closed on Mondays. NARA Mid Atlantic out-of-town researchers, who frequently use multiple institutional archives, will not find them closed on the same day during the summer week days. The actual shipping of records will take place from July through October. However, normal hours will be restored the week of September 11, 2005.

Dated: June 17, 2005.

Thomas Mills,

Assistant Archivist for Regional Records Services.
