SUMMARY: Pursuant to the National Environmental Policy Act (NEPA) of 1969 (as amended) the Bureau of Reclamation (Reclamation), as lead Federal agency, has prepared a FEIS for the Central Valley Project Long-Term Water Service Contract Renewals—American River Division. The written comment period on the DEIS ended on March 21, 2005. The FEIS contains responses to all comments received and reflects comments and any additional information received during the review period.

DATES: Reclamation will not make a decision on the proposed action until at least 30 days after release of the FEIS.
