Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Proposed projects: Title:
Developmental Disabilities Protection and Advocacy Program Performance Report.

OMB No.: 0980-0160.
Description: This information collection is required by federal statute. Each State Protection and Advocacy System must prepare and submit a Program Performance Report for the preceding fiscal year of activities and accomplishments and of conditions in the State. The information in the Annual Report will be aggregated into a national profile of Protection and Advocacy Systems. It will also provide ADD with an overview of program

trends and achievements and will enable ADD to respond to administration and congressional requests for specific information on program activities. This information will also be used to submit a Biennial Report to Congress as well as to comply with requirements in the Government Performance and Results Act of 1993.

Respondents: Protection & Advocacy Agencies.

Annual Burden Estimates

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Developmental disabilities Protection and Advocacy Program Performance Report	57	1	44	2,508

Estimated Total Annual Burden Hours: 2,508.

In compliance with the requirements of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above.

Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Administration, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. E-mail address: grjohnson@acf.hhs.gov. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: June 23, 2005.

Robert Sargis,

Reports Clearance Officer.
