Following five-year reviews by Commerce and the Commission, effective August 22, 2000, Commerce issued a continuation of the countervailing duty order on imports of welded carbon steel pipe and tube from Turkey (65 FR 50960) and the antidumping duty orders on imports of certain pipe and tube from Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey (65 FR 50955–50958). The Commission is now conducting second reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full reviews or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

(2) The *Subject Countries* in these reviews are Argentina, Brazil, India, Korea, Mexico, Taiwan, Thailand, and Turkey.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the Subject Merchandise. In its original determinations, the Commission defined the Domestic Like Products as follows: (1) Small Diameter Circular Welded Carbon Steel Pipes and Tubes from Taiwan (Inv. No. 731-TA-132)—small diameter circular pipes and tubes (*i.e.*, with an outside diameter of at least 0.375 inch but not more than 4.5 inches); (2) Certain Circular Welded Carbon Steel Pipes and Tubes from

Thailand and Turkey (Inv. Nos. 731-TA-252 and 701-TA-253)—standard pipe up to and including 16 inches in outside diameter; (3) Certain Circular Welded Carbon Steel Pipes and Tubes from India and Turkey (Inv. Nos. 731-TA-271 and 273)—standard pipe of not more than 16 inches in outside diameter; (4) Certain Circular Welded Carbon Steel Pipes and Tubes from Brazil, Korea, Mexico, and Taiwan (Inv. Nos. 731-TA-532–534 and 536)—circular welded, non-alloy steel pipes and tubes of not more than 16 inches in outside diameter, except (a) finished conduit other than finished rigid conduit and (b) mechanical tubing that is not cold-drawn or cold-rolled; (5) Light-Walled Rectangular Pipe and Tube from Argentina and Taiwan (Inv. Nos. 731-TA-409 and 410)—light-walled rectangular pipe and tube. In its full five-year review determinations, the Commission found the following Domestic Like Products: (A) for the reviews listed in items (1)–(4) above, circular welded non-alloy steel pipes and tubes up to and including 16 inches in outside diameter, regardless of wall thickness and (B) for the reviews listed in item (5) above, light-walled rectangular pipe and tube.

(4) The *Domestic Industry* is the U.S. producers as a whole of the Domestic Like Product, or those producers whose collective output of the Domestic Like Product constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the Domestic Industries as follows: (1) Small Diameter Circular Welded Carbon Steel Pipes and Tubes from Taiwan (Inv. No. 731-TA-132)—domestic producers of small diameter circular pipes and tubes (*i.e.*, with an outside diameter of at least 0.375 inch but not more than 4.5 inches); (2) Certain Circular Welded Carbon Steel Pipes and Tubes from Thailand and Turkey (Inv. Nos. 731-TA-252 and 701-TA-253)—domestic producers of standard pipe up to and including 16 inches outside diameter; (3) Certain Circular Welded Carbon

Steel Pipes and Tubes from India and Turkey (Inv. Nos. 731-TA-271 and 273)—domestic producers of standard pipe of not more than 16 inches in outside diameter; (4) Certain Circular Welded Carbon Steel Pipes and Tubes from Brazil, Korea, Mexico, and Taiwan (Inv. Nos. 731-TA-532–534 and 536)—domestic producers of circular welded, non-alloy steel pipes and tubes of not more than 16 inches in outside diameter, except (a) finished conduit other than finished rigid conduit and (b) mechanical tubing that is not cold-drawn or cold-rolled; (5) Light-Walled Rectangular Pipe and Tube from Argentina and Taiwan (Inv. Nos. 731-TA-409 and 410)—domestic producers of light-walled rectangular pipe and tube. In its full five-year review determinations, the Commission found the following Domestic Industries: (A) for the reviews listed in items (1)–(4) above, domestic producers of circular welded non-alloy steel pipes and tubes up to and including 16 inches in outside diameter, regardless of wall thickness and (B) for the review listed in item (5) above, domestic producers of light-walled rectangular pipe and tube.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the Subject Merchandise into the United States from a foreign manufacturer or through its selling agent.

Participation in the reviews and public service list.—Persons, including industrial users of the Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Former Commission employees who are seeking to appear in Commission five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission is seeking guidance as to whether a second transition five-year review is the "same particular matter" as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was "personal and substantial." However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission's

rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is August 22, 2005. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is September 13, 2005. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.
