Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department's regulations regarding

sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (i.e., previous margins, duty absorption determinations, scope language, import volumes), and service

lists available to the public on the Department's sunset Internet website at the following address: "<http://ia.ita.doc.gov/sunset/>." All submissions in these sunset reviews must be filed in accordance with the Department's

regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Because deadlines in a sunset review can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306.

Information Required from Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. *See* 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.¹ Please

consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: June 22, 2005.

Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Review: Honey from Argentina

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 1, 2005.

FOR FURTHER INFORMATION CONTACT:

Brian Sheba or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–0145 and (202) 482–0469, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 30, 2004, the American Honey Producers Association and the Sioux Honey Association (collectively petitioners) requested an administrative review of the antidumping duty order on honey from Argentina in response to the Department of Commerce's (the Department) notice of opportunity to request a review published in the **Federal Register**. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 69 FR 69889 (December 1, 2003). The petitioners requested that the Department conduct an administrative review of entries of subject merchandise made by twenty-four Argentine producers/exporters. In addition, the Department received requests for reviews from three of the Argentine exporters included in the petitioners' request, plus a request for review by one additional exporter, El Mana S.A. (El

Mana). The Department initiated a review on the above twenty-five companies on January 31, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 4818 (January 31, 2005).

Subsequent to the Department's initiation of review, on February 22, 2005, the petitioners filed a withdrawal of request for review for fifteen of the companies. *See* letter from petitioners to the Department, Honey From Argentina, (February 22, 2005), on file in the Central Records Unit (CRU), room B–099 of the main Department building. On February 24, 2005, both petitioners and Nexco S.A. (Nexco) (an exporter) submitted letters withdrawing their individual requests for review of Nexco. *See* letters from petitioners and from Nexco to the Department, Honey From Argentina, (February 24, 2005), on file in the CRU. Also on February 24, 2005, petitioner rescinded its withdrawal with respect to Mielar S.A. (Mielar). *See id.* On March 9, 2005, El Mana submitted a letter withdrawing its request for administrative review. *See* letter from El Mana to the Department, Honey From Argentina, (March 9, 2005), on file in the CRU. On March 31, 2005, petitioners submitted a withdrawal of request for review of two additional companies: Compania Apicola Argentina (CAA), Mielar, and TransHoney S.A. (TransHoney). *See* Letter from petitioners to the Department, Honey From Argentina, (March 31, 2005), on file in the CRU. On April 15, 2005, the Department rescinded its review for the companies named in petitioners' and respondents' withdrawals of request for review. *See Honey from Argentina: Notice of Partial Rescission of Antidumping Duty Administrative Review*, 70 FR 19927 (April 15, 2005).

Notice of Extension

Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the current deadlines are September 1, 2005, for the preliminary results and December 30, 2005, for the final results of this administrative review. The Department, however, may extend the deadline for completion of the preliminary results of a review if it determines it is not practicable to complete the preliminary results within the statutory time limit. *See* 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations. In this case the Department has determined it is not practicable to complete this review within the statutory time limit because of complex issues involved in this review,

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.
