RAILROAD RETIREMENT BOARD

Proposed Data Collection Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of

the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Evidence of Marital Relationship, Living with Requirements; OMB 3220-0021. To support an application for a spouse or widow(er)'s annuity under Sections 2(c) or 2(d) of the Railroad Retirement Act, an applicant must submit proof of a valid marriage to a railroad employee. In some cases, the existence of a marital relationship is not formalized by a civil or religious ceremony. In other cases, questions may arise about the legal termination of a prior marriage of an employee, spouse, or widow(er). In

these instances, the RRB must secure additional information to resolve questionable marital relationships. The circumstances requiring an applicant to submit documentary evidence of marriage are prescribed in 20 CFR 219.30.

In the absence of documentary evidence to support the existence of a valid marriage between a spouse or widow(er) annuity applicant and a railroad employee, the RRB needs to obtain information to determine if a valid marriage existed. The RRB utilizes Forms G-124, Statement of Marital Relationship; G-124a, Statement Regarding Marriage; G-237, Statement Regarding Marital Status; G-238, Statement of Residence; and G-238a, Statement Regarding Divorce or Annulment to secure the needed information. One response is requested of each respondent. Completion is required to obtain benefits. The RRB proposes no changes to the forms in the collection.

ESTIMATE OF ANNUAL RESPONDENT BURDEN

[The estimated annual respondent burden is as follows:]

Form #(s)	Annual Responses	Time (Min)	Burden (Hrs)
G-124 (In person)	125	15	31
G-124 (By mail)	75	20	25

Title and Purpose of Information Collection: Evidence for Application of Overall Minimum: OMB 3220-0083.

Under section 3(f)(3) of the Railroad Retirement Act (RRA), the total monthly benefits payable to a railroad employee and his/her family are guaranteed to be no less than the amount that would be payable if the employee's railroad service had been covered by the Social Security Act. This is referred to as the Special Guaranty computation or the Retirement Overall Minimum (O/M) provision. To administer the Special Guaranty provision, the RRB requires information about a retired employee's spouse and any child who is not currently eligible for benefits under the RRA but might have been eligible for benefits under the Social Security Act if
