

subject articles from entry into the United States, and/or (2) a cease and desist order that could result in the respondent being required to cease and desist from engaging in unfair action in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry are either adversely affecting it or likely to do so. For background, see *In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

When the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the President has 60 days to approve or disapprove the Commission's action. During this period, the subject articles would be entitled to enter the United States under a bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed.

*Written Submissions:* The parties to the investigation, interested government agencies, and any other interested persons are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Such submissions should address the ALJ's recommended determination on remedy and bonding. Complainant and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. Complainant is further requested to state the expiration date of the '600 patent and the HTSUS numbers

under which the infringing products are imported. The main written submissions and proposed remedial orders must be filed no later than July 18, 2005. Response submissions must be filed no later than July 25, 2005. No further submissions will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 12 true copies thereof with the Office of the Secretary on or before the deadlines stated above. Any person desiring to submit a document (or portions thereof) to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 210.5. Documents for which confidential treatment is granted by the Commission will be treated accordingly. All non-confidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and sections 210.42, 210.43, and 210.50 of the Commission's Interim Rules of Practice and Procedure (19 CFR 210.42, 210.43, and 210.50).

By order of the Commission.

## JUDICIAL CONFERENCE OF THE UNITED STATES

### Hearings of the Judicial Conference Advisory Committee on Rules of Civil Procedure

**AGENCY:** Judicial Conference of the United States; Advisory Committee on Rules of Civil Procedure.

**ACTION:** Notice of Proposed Amendments and Open Hearings.

**SUMMARY:** The Judicial Conference Advisory Committee on Rules of Civil Procedure has proposed amendments to the following rules:

#### Proposed Style Amendments to the Federal Rules of Civil Procedure

The Judicial Conference Advisory Committee on Federal Rules of Civil Procedure has completed its style revision of the Civil Rules in accordance with uniform drafting guidelines. The restyling of the Civil Rules is the third in a series of comprehensive revisions to simplify, clarify, and make more uniform all of the federal procedural rules.

#### Proposed Amendments Separate From Style Revision Project

The proposed changes are intended to be primarily stylistic only. However, the Advisory Committee's extensive style review revealed ambiguities and

inconsistencies in the rules that required correction. The Advisory Committee proposed a small number of minor "style/substance" amendments that make very modest, noncontroversial changes to the rules. For convenience, the "style/substance" amendments are published together with the proposed style rules, but are separate from the style project. The style/substance amendments to the Civil Rules are: 4, 8, 9, 11, 14, 16, 26, 30, 31, 36, 40, 71A, and 78.

The text of the proposed rules amendments and the accompanying Committee Notes can be found at the United States Federal Courts' Home Page at <http://www.uscourts.gov/rules>.

The Judicial Conference Committee on Rules of Practice and Procedure submits these proposed rules amendments for public comment. All comments and suggestions with respect to them must be placed in the hands of the Secretary as soon as convenient and, in any event, not later than December 15, 2005. All written comments on the proposed rule amendments can be sent by one of the following three ways: by overnight mail to Peter G. McCabe, Secretary, Committee on Rules of Practice and Procedure of the Judicial Conference of the United States, Thurgood Marshall Federal Judiciary Building, Washington, DC 20544; by electronic mail at <http://www.uscourts.gov/rules>; or by facsimile to Peter G. McCabe at (202) 502-1766. In accordance with established procedures all comments submitted on the proposed amendments are available to public inspection.

Public hearings are scheduled to be held on the proposed style and "style/substantive" amendments on the following dates:

- October 26, 2005, in San Francisco, California;
- November 18, 2005, in Chicago, Illinois; and
- December 2, 2005, in Washington, DC.

Those wishing to testify should contact the Secretary at the address above in writing at least 30 days before the hearing.

### Notice of Lodging of Partial Consent Decree Pursuant to the Comprehensive Environmental Response Compensation and Liability Act (CERCLA)

Pursuant to section 122(d) of CERCLA, 24 U.S.C. 9622(d), and 28 CFR 50.7 notice is hereby given that on June 24, 2005, a proposed partial Consent Decree (the Decree) in *United States v. Beckman Coulter, Inc., et al.*, Civ. No. 98-CV-4812 (WHW) (consolidated), was lodged with the United States District Court for the District of New Jersey (Newark Vicinage).

In this consolidated action the United States, on behalf of the United States Environmental Protection Agency (EPA), and the New Jersey Department of Environmental Protection (NJDEP) seek cost recovery with respect to the Combe Fill South Landfill Superfund Site (the Site), located in Chester and Washington Townships, New Jersey, pursuant to CERCLA and other authorities against former operators of the Site, as well as generators and transporters of hazardous substances to the Site. The proposed Decree settles claims brought against four parties, Carbco, Inc., f/k/a J. Filiberto Sanitation, Inc., Chester Hills, Inc., John Filiberto, and Joseph Filiberto (the Settling Parties), by the United States and New Jersey. Under the terms of the proposed settlement, within thirty days of entry, the Settling Parties will pay \$12.5 million, plus interest, to reimburse the United States and State of New Jersey for a portion of their costs incurred at the Site. After the time period for an appeal of the entry of the Consent Decree has passed, or any potential appeal has been resolved, the Settling Parties will also pay any monies remaining in their litigation escrow account to the United States and State of New Jersey. This settlement is based upon the Settling Parties' limited ability to pay, and the amounts being paid under the Consent Decree are entirely funded from settlements the Settling Parties have entered into with their insurance carriers, with no part of the Settling Parties' settlement with their insurance carriers inuring to their personal benefit.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, written comments relating to the proposed Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, PO Box 7611, United States Department of Justice,

Washington, DC 20044-7611, and should refer to *United States v. Beckman Coulter, Inc., et al.*, DOJ Ref. No. 90-11-12-1134/1.

The proposed Consent Decree may be examined at the Office of the United States Attorney for the District of New Jersey, Office of the United States Attorney, Peter Rodini Federal Building, 970 Broad Street, Suite 700, Newark, NJ 07102, and at the United States Environmental Protection Agency, Region 2, 290 Broadway, New York, NY 10007-1866. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site: <http://www.usdoj.gov/enrd/open.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, Post Office Box 7611, Washington, D.C. 20044-7611, or by faxing or e-mailing a request to Tonia Fleetwood at [tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov) or fax No. (202) 514-0097, phone confirmation number (202) 514-1547.
