COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions and Deletions

AGENCY: Committee for Purchase from People Who Are Blind or Severely Disabled.

ACTION: Additions to and deletions from Procurement List.

SUMMARY: This action adds to the Procurement List products and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities, and deletes from the Procurement List products previously furnished by such agencies.

DATES: *Effective Date:* August 15, 2005.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202–3259.

FOR FURTHER INFORMATION CONTACT: Sheryl D. Kennerly, Telephone: (703) 603–7740, Fax: (703) 603–0655, or e-mail SKennerly@jwod.gov.

SUPPLEMENTARY INFORMATION:

Additions

On May 6, May 13, and May 20, 2005, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (70 FR 23979, 25534/25535/25536, and 29274) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and services and impact of the additions on the current or most recent contractors, the Committee has determined that the products and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46–48c and 41 CFR 51–2.4.

The following material pertains to the products identified in this **Federal Register** notice.

By notice of May 13, 2005 (70 FR 25534), the Committee proposed to add the following quantities of military uniforms to its Procurement List:

New Army Combat Uniform (ACU) Coats & Trousers “Transition Quantities Qualified Nonprofit Agencies under the Committee’s program are currently authorized to produce 300,000 Battle Dress Uniform (BDU) trousers and 100,000 BDU coats. During the Army’s transition from BDU to the ACU, at the request of the Defense Supply Center-

Philadelphia (DSCP), it is proposed that qualified nonprofit agencies produce an additional 200,000 BDU trousers, 900,000 ACU coats, 900,000 ACU trousers, and 50,000 BDU coats annually, for a period of three years. Once the transition period is complete, the additional quantities will be deleted from the Procurement List and the qualified nonprofit agencies will reduce their production, back to 300,000 ACU trousers and 100,000 ACU coats.”

On June 16, 2005, DSCP took action to issue immediate Stop Work Orders to all manufacturers of BDU uniforms of all types, including the nonprofit agencies currently producing BDUs under the Committee’s program. The transition to the ACUs will be accelerated, without the planned three year period of transition from BDUs to ACUs. Therefore, the Committee decided to convert the announced addition quantities of BDUs into the same quantities of ACUs proposed in the May 13, 2005, notice of proposed addition (70 FR 25534). These additional quantities of ACUs will remain on the Procurement List for a period of three years and then will be deleted.

Under the Committee’s replacement commodity regulation (41 CFR 51–6.13(a)), the additional quantities of BDUs proposed by the May 13, 2005, notice (70 FR 25534) are automatically considered to be on the Procurement List as ACU replacements for the BDUs, by virtue of this notice of addition. The BDUs will also remain on the Procurement List until there is no longer a Government requirement for BDUs.

The following material pertains to all of the items being added to the Procurement List.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. The action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the products and

services proposed for addition to the Procurement List.

End of Certification

SUPPLEMENTARY INFORMATION:

I. Abstract

The Transactions of U.S. Affiliate, Except a U.S. Banking Affiliate, with Foreign Parent (Form BE-605) and Transactions of U.S. Banking Affiliate with Foreign Parent (Form BE-605 Bank) obtain quarterly sample data on transactions and positions between foreign-owned U.S. business enterprises and their "affiliated foreign groups" (i.e., their foreign parents and foreign affiliates of their foreign parents). The data collected are used in the preparation of the U.S. international transactions accounts, national income and product accounts, and input-output accounts. The data are needed to measure the amount of foreign direct investment in the United States, monitor changes in such investment, assess its impact on the U.S. and foreign economies and, based upon this assessment, make informed policy decisions regarding foreign direct investment in the United States.

BEA proposes the following changes to the survey: (1) To maintain consistency of the U.S. international transactions accounts with current international statistical standards, collect information on payments to and receipts from the foreign parent and foreign affiliates of the foreign parent gross of any taxes withheld. Previously, the information was collected net of taxes withheld. (2) To avoid potential duplication, modify the instructions for the survey to instruct respondents to exclude positions and transactions in financial derivatives contracts that are to be reported on or derived from information reported to the Federal Reserve Bank of New York on the new Treasury International Capital Form D, Report of Holdings of, and Transactions in, Financial Derivatives Contracts with
