

changes made necessary by the terms of the Termination Agreement. These changes, in part, result from the relinquishment by CBOE of its three NSX Board positions, as well as, CBOE's anticipated relinquishment of additional NSX Board positions. The Commission further notes that the revisions relating to Exchange governance, such as the creation of a new category of directors known as "Independent Directors," the implementation of a transition schedule for having a majority of NSX's thirteen member Board consist of Independent Directors, and the various changes to the composition of NSX's committees, are being made in anticipation of certain governance requirements that the Commission may impose upon self-regulatory organizations. The Commission believes that a Board consisting of a majority of independent directors should help address the conflicts of interest that otherwise may arise when persons with a relationship to the Exchange are involved in key decisions, and should increase the likelihood that the Board will act in accordance with the mandates of the Act and in the best interests not only of the Exchange but also investors.

Therefore, in the Commission's view, the proposal is consistent with the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with Sections 6(b)(1)¹² and 6(b)(5)¹³ of the Act.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁴ that the proposed rule change (SR-NSX-2005-02) be, and hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁵

Jill M. Peterson,

Assistant Secretary.
