### Proposed Collection; Comment Request for Review of a Currently Approved Information Collection: RI 38-107

**AGENCY:** Office of Personnel  
Management.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of a currently approved information collection. RI 38-107, Verification of Who is Getting Payments, is used to verify that the entitled person is indeed receiving the monies payable. Failure to collect this information would cause OPM to pay monies absent the assurance of the correct payee.

Comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological techniques or other forms of information technology.

Approximately 25,400 forms are completed annually. Each form takes approximately 10 minutes to complete. The annual estimated burden is 4,234 hours.
