SUPPLEMENTARY INFORMATION:

I. Background

On December 14, 1998, we published a notice in the **Federal Register** (63 FR 68780) to describe the Medicare Coverage Advisory Committee (MCAC), which provides advice and recommendations to us about clinical issues. This notice announces a public meeting of the Committee.

Meeting Topic: The Committee will discuss evidence, hear presentations and public comments, and make recommendations regarding the treatments for bone fractures that fail to progress to union. The MCAC will discuss scientific evidence on the effectiveness of certain procedures used in the Medicare population to treat bone fractures where progress to union has stopped. Committee members will be given a presentation reviewing the current literature of treatments and will also receive public comments to assist in the discussions and recommendations regarding net health outcomes of treatments for bone fractures that fail to progress to union.

Background information about this topic, including panel materials, is available on the Internet at <http://www.cms.hhs.gov/coverage/>.

II. Procedure

This meeting is open to the public. The Committee will hear oral presentations from the public for approximately 45 minutes. The

Committee may limit the number and duration of oral presentations to the time available. If you wish to make formal presentations, you must notify the Executive Secretary named in the **FOR FURTHER INFORMATION CONTACT** section and submit the following by the **Deadline for Presentations and Comments** date listed in the **DATES** section of this notice: A brief statement of the general nature of the evidence or arguments you wish to present, the names and addresses of proposed participants, and a written copy of your presentation. Your presentation should consider the questions we have posed to the Committee and focus on the issues specific to the topic. The questions will be available on our Web site at <http://www.cms.hhs.gov/mcac/default.asp#meetings>. We require that you declare at the meeting whether or not you have any financial involvement with manufacturers of any items or services being discussed (or with their competitors).

After the public and CMS presentations, the Committee will deliberate openly on the topic. Interested persons may observe the deliberations, but the Committee will not hear further comments during this time except at the request of the chairperson. The Committee will also allow a 15 minute unscheduled open public session for any attendee to address issues specific to the topic. At the conclusion of the day, the members will vote and the Committee will make its recommendation.
