AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) is submitting a request for review and approval of a collection of information under the emergency processing procedures in Office of Management and Budget (OMB) regulation 5 CFR 1320.13. FEMA is requesting that this information collection be approved by July 8, 2005. FEMA plans to follow this emergency request with a request for a 3 year approval. The request will be processed under OMB's normal clearance procedures in accordance with the provisions of OMB regulation 5 CFR 1320.10. To help us with the timely processing of this emergency submission to OMB, FEMA invites the general public to comment on the proposed collection of information.

SUPPLEMENTARY INFORMATION: The 9/11 Heroes Stamp Act of 2001, Public Law 107-67, sec. 652, 115 Stat. 514 (Nov. 12, 2001) (Heroes Stamp Act), directed the United States Postal Service (USPS) to issue a semipostal stamp and distribute the proceeds through the Federal Emergency Management Agency (FEMA) to the families of emergency relief personnel killed or permanently disabled while serving in the line of duty in connection with the terrorist

attacks against the United States on September 11, 2001.

A semipostal stamp is a type of postage that is sold for a value greater than that of a regular first class stamp. The proceeds from the price differential between the sale price of the stamp and the cost of the postage fund the distribution provided for in the Heroes Stamp Act, after appropriate deduction for reasonable costs of producing and distributing the Heroes semipostal stamps by the USPS. The Heroes Stamp Act does not grant any administrative costs to FEMA. The USPS issued the Heroes semipostal stamp in June 2002, and discontinued selling the Heroes semipostal stamp on December 31, 2004.
