Correction of Publication

• Accordingly, 26 CFR part 1 is corrected by making the following correcting amendments:

PART 1—INCOME TAXES

■ **Paragraph 1.** The authority citation for part 1 continues to read in part as follows:

Authority: 26 U.S.C. 7805 * * *

■ **Par. 2.** Section 1.704–3 is amended by adding paragraphs (a)(8)(ii) and (a)(8)(iii) to read as follows:

§1.704–3 Contributed property.

(a) * * *

(8) * * * (i) * * *

(ii) Disposition in an installment sale. If a partnership disposes of section 704(c) property in an installment sale as defined in section 453(b), the installment obligation received by the partnership is treated as the section 704(c) property with the same amount of built-in gain as the section 704(c) property disposed of by the partnership (with appropriate adjustments for any gain recognized on the installment sale). The allocation method for the installment obligation must be consistent with the allocation method chosen for the original property.

(iii) Contributed contracts. If a partner contributes to a partnership a contract that is section 704(c) property, and the partnership subsequently acquires property pursuant to the contract in a transaction in which less than all of the gain or loss is recognized, then the acquired property is treated as the section 704(c) property with the same amount of built-in gain or loss as the contract (with appropriate adjustments for any gain or loss recognized on the acquisition). For this purpose, the term contract includes, but is not limited to, options, forward contracts, and futures contracts. The allocation method for the acquired property must be consistent with the allocation method chosen for the contributed contract.

■ **Par. 3.** Section 1.737–2 is amended by adding paragraphs (d)(3)(ii) and (d)(3)(iii) to read as follows:

(3) * * * (i) * * *

(ii) *Installment sales*. An installment obligation received by the partnership in an installment sale (as defined in section 453(b)) of section 704(c) property is treated as the contributed property with regard to the contributing partner for purposes of section 737 to the extent that the installment obligation received is treated as section 704(c) property under § 1.704–3(a)(8). See § 1.704–4(d)(1) for a similar rule in the context of section 704(c)(1)(B).

(iii) Contributed contracts. Property acquired by a partnership pursuant to a contract that is section 704(c) property is treated as the contributed property with regard to the contributing partner for purposes of section 737 to the extent that the acquired property is treated as section 704(c) property under § 1.704-3(a)(8). Quarterly Listings; Special Local Regulations, Safety Zones and Security Zones

AGENCY: Coast Guard, DHS. **ACTION:** Notice of temporary rules issued.

SUMMARY: This document provides required notice of substantive rules issued by the Coast Guard and temporarily effective between April 1, 2005 and June 30, 2005, that were not published in the **Federal Register**. This quarterly notice lists special local regulations, safety zones and security zones, all of limited duration and for which timely publication in the **Federal Register** was not possible.

DATES: This document lists temporary Coast Guard rules that became effective and were terminated between April 1, 2005, and June 30, 2005.

ADDRESSES: The Department of **Transportation Docket Management** Facility maintains the public docket for this notice. Documents indicated in this notice will be available for inspection or copying at the Docket Management Facility, U.S. Department of Transportation, Room PL-401, 400 Seventh Street, SW., Washington, DC 20593-0001 between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. You may electronically access the public docket for this notice on the Internet at *http://dms.dot.gov*. The public docket contains a scanned copy of each original regulation listed in this notice.

FOR FURTHER INFORMATION CONTACT: For questions on this notice contact Erin McMunigal, Office of Regulations and Administrative Law, telephone (202) 267–0131. For questions on viewing, or on submitting material to the docket, contact Renee Z. Wright, Acting Program Manager, Docket Operations, telephone 202–493–0402.

SUPPLEMENTARY INFORMATION: Coast Guard District Commanders and Captains of the Port (COTP) must be immediately responsive to the safety and security needs within their jurisdiction; therefore, District Commanders and COTPs have been delegated the authority to issue certain regulations. Safety zones may be established for safety or environmental purposes. A safety zone may be stationary and described by fixed limits or it may be described as a zone around a vessel in motion. Security zones limit access to prevent injury or damage to vessels, ports, or waterfront facilities and may also describe a zone around a vessel in motion. Special local regulations are issued to enhance the safety of participants and spectators at regattas and other marine events. Timely publication of these rules and in the Federal Register is often precluded when a rule responds to an emergency, or when an event occurs without sufficient advance notice. The affected public is, however, informed of these rules through Local Notices to Mariners, press releases, and other means. Moreover, actual notification is provided by Coast Guard patrol vessels

enforcing the restrictions imposed by the rule. Because Federal Register publication was not possible before the beginning of the effective period, mariners were personally notified of the contents of these special local regulations, security zones or safety zones by Coast Guard officials on-scene prior to any enforcement action. However, the Coast Guard, by law, must publish in the Federal Register notice of substantive rules adopted. To meet this obligation without imposing undue expense on the public, the Coast Guard periodically publishes a list of these special local regulations, security zones and safety zones. Permanent rules are not included in this list because they are published in their entirety in the Federal Register. Temporary rules are

also published in their entirety if sufficient time is available to do so before they are placed in effect or terminated. The safety zones, special local regulations and security zones listed in this notice have been exempted from review under Executive Order 12866, Regulatory Planning and Review, because of their emergency nature, or limited scope and temporary effectiveness.

The following rules were placed in effect temporarily during the period from April 1, 2005, through June 30, 2005, unless otherwise indicated.

Dated: July 28, 2005.

S.G. Venckus,

Chief, Office of Regulations and Administrative Law.
