

## Final Results of Review

For these final results the Department determines that the following weighted-average margin percentage exists for the period March 1, 2003 through February 29, 2004:

Manufacturer/Exporter	Margin (percent)
Baoding Mantong Fine Chemistry Co., Ltd. ...	12.29%

## Assessment of Antidumping Duties

Upon completion of this administrative review, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries. For assessment purposes, for Baoding Mantong and all exporters subject to the PRC-wide rate, the Department will direct CBP to assess the ad valorem rates against the entered value of each entry of subject merchandise during the period of review. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of the final results of this review.

## Cash Deposit Requirements

The following deposit requirements will be effective upon publication of these final results for this administrative review for all shipments of glycine from the PRC entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the reviewed company, Baoding Mantong, will be the rate established above; (2) For previously-reviewed PRC and non-PRC exporters with separate rates, the cash deposit rate will be the company-specific rate established for the most recent period; (3) For all other PRC exporters, the cash deposit rate will be the PRC-wide rate of 155.89 percent, and (4) For all other non-PRC exporters of the subject merchandise, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review. There are no changes to the rates applicable to any other companies under this antidumping duty order.

## Notification to Interested Parties

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to

liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 5, 2005.

### Stainless Steel Wire Rod From India: Amended Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On July 13, 2005, the Department of Commerce published in the **Federal Register** the final results of the administrative review of the antidumping duty order on stainless steel wire rod from India. The period of review is December 1, 2002, through November 30, 2003. Based on the correction of a ministerial error, we have changed the antidumping margin for Isibars Limited, and we are amending our final results accordingly.

### FOR FURTHER INFORMATION CONTACT:

Jeffrey Frank at (202) 482-0090 or Minoo Hatten at (202) 482-1690, AD/

CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

### SUPPLEMENTARY INFORMATION:

#### Background

On July 13, 2005, the Department of Commerce published in the **Federal Register** the final results of the administrative review of the antidumping duty order on stainless steel wire rod (SSWR) from India. See *Stainless Steel Wire Rod From India: Final Results of Antidumping Duty Administrative Review and Determination to Revoke Order in Part*, 70 FR 40318 (July 13, 2005).

On July 19, 2005, we received a timely ministerial-error allegation from Carpenter Technology Corporation (the petitioner) with respect to Isibars Limited (Isibars). Specifically, the petitioner argued that, in our margin calculation, we did not distinguish sales of prime merchandise from sales of secondary merchandise for matching purposes and, as a result, incorrectly matched prime merchandise sold in the United States with secondary merchandise sold in India. Isibars did not comment on this issue.

It is our practice to distinguish between prime and secondary merchandise. See *Certain Cold-Rolled and Corrosion-Resistant Carbon Steel Flat Products From Korea: Final Results of Antidumping Duty Administrative Reviews*, 65 FR 13359 (March 13, 2000) and accompanying Issues and Decision Memorandum at Comment 19. See also *Certain Corrosion-Resistant Carbon Steel Flat Products From Canada: Final Results of Antidumping Duty Administrative Review*, 69 FR 2566 (January 16, 2004) and accompanying Issues and Decision Memorandum at Comment 8. Therefore, we agree with the petitioner's allegation and have made the appropriate changes to our calculation. See "Amended Final Analysis Memorandum of Isibars Limited for Stainless Steel Wire Rod from India Adm. Rev. 12/1/02 - 11/30/03" dated July 29, 2005.

#### Amended Final Results of Review

As a result of the correction of the ministerial error, the weighted-average margin for Isibars for the period December 1, 2002, through November 30, 2003, has changed from 27.20 percent to 30.10 percent.

#### Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of these amended final results of

administrative review for all shipments of SSWR from India entered, or withdrawn from warehouse, for consumption on or after the publication date of these amended final results, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) The cash-deposit rate for Isibars will be 30.10 percent; (2) for merchandise exported by other producers or exporters that were reviewed or investigated previously, the cash-deposit rate will continue to be the most recent rate published in the final determination or final results for which the producer or exporter received an individual rate; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review, the cash-deposit rate shall be 48.80 percent, the all-others rate established in the LTFV investigation. See *Final Determination of Sales at Less Than Fair Value: Certain Stainless Steel Wire Rods from India*, 58 FR 54110 (October 20, 1993). These deposit requirements shall remain in effect until the publication of the final results of the next administrative review.

#### Duty Assessment

In accordance with 19 CFR 351.212(b)(1), we will direct U.S. Customs and Border Protection to assess the resulting per-unit dollar amount against each unit of merchandise entered or withdrawn from warehouse for consumption during the review period. We will issue the liquidation instructions within 15 days of publication of these amended final results of review.

We are issuing and publishing these results and notice in accordance with sections 751(a)(1) and (h) and 777(i) of the Act and 19 CFR 351.224(e).

Dated: August 5, 2005.

#### Certain Steel Concrete Reinforcing Bars from Turkey; Notice of Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 12, 2005.

**FOR FURTHER INFORMATION CONTACT:** Irina Itkin or Greg Kalbaugh, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0656 and (202) 482-3693, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

The Department of Commerce (the Department) published an antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey on April 17, 1997 (*See Antidumping Duty Order: Certain Steel Concrete Reinforcing Bars From Turkey*, 62 FR 18748). On May 21, 2004, the Department published a notice of initiation of an administrative review of the order on rebar from Turkey for the period April 1, 2003, through March 31, 2004. *See* 69 FR 30282. The respondents in this administrative review are: Colakoglu Metalurji A.S.; Diler Demir Celik Endustrisi ve Ticaret A.S., Yazici Demir Celik Sanayi ve Ticaret A.S., and Diler Dis Ticaret A.S. (collectively, Diler); Habas Tibbi ve Sinai Gazlar Istihsal Endustrisi A.S.; and ICDAS Celik Enerji Tersane ve Ulasim Sanayi, A.S. (ICDAS). On May 6, 2005, the Department published in the **Federal Register** its preliminary results. *See Certain Steel Concrete Reinforcing Bars from Turkey; Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review and Notice of Intent To Revoke in Part*, 70 FR 23990. The final results are currently due no later than September 3, 2005.

#### Extension of the Time Limit for Final Results of Administrative Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department to make a final determination in an administrative review within 120 days after the date on which the preliminary determination is published. However, if it is not

practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

In accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department finds that it is not practicable to complete the review within the original time frame because it involves a number of complicated issues for certain of the respondents, including the determination of the appropriate cost averaging periods, date of sale, and affiliated producers. Moreover, one respondent, ICDAS, has requested revocation in this review. Analysis of these issues requires additional time. Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is fully extending the time limit for completion of the final results of this administrative review to 180 days, until November 2, 2005.

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: August 8, 2005.
