Each registered person shall complete the Regulatory Element of the continuing education program on the occurrence of their second registration anniversary date and every three years thereafter, or as otherwise prescribed by the Exchange. On each of the occasions, the Regulatory Element must be completed within one hundred twenty days after the person's registration anniversary date. Any person whose registration has been deemed inactive under this Rule shall cease all activities as a registered person and is prohibited from performing any duties and functioning in any capacity requiring registration.

The Exchange may, upon application and a showing of good cause, allow for additional time for a registered person to satisfy the program requirements.

[(3) Re-entry into program]
