- Failure to exercise reasonable care in the execution of participant obligations.
- Misuse of the automated CBP Form 214 (*i.e.*, engaging in unauthorized disclosure or any activity which interferes with the successful evaluation of the new technology).

The Executive Director, Trade Compliance and Facilitation, will administer suspensions for misconduct. A written notice proposing suspension will be provided to the participant. Such notice will apprise the participant of the alleged facts or conduct warranting suspension and will inform the participant of the date that the suspension will begin. Any decision proposing suspension of a participant may be appealed in writing to the Assistant Commissioner, Office of Field Operations, 1300 Pennsylvania Ave., NW., Washington, DC 20229, within 15 calendar days of the notification date. An appeal must address the alleged facts or conduct charges contained in the notice and state how compliance has been or will be achieved. In cases of non-payment, late payment, willful misconduct or where public health interests or safety is concerned, the suspension may be effective immediately. The same appeal procedures apply in cases of immediate suspension.
