SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Rural Housing Service's intention to request an extension for a currently approved information collection in support of the program for 7 CFR Part 3550, Direct Single Family Housing Loans and Grants and its accompanying Handbooks.

DATES: Comments on this notice must be received by October 21, 2005 to be assured of consideration.

FOR FURTHER INFORMATION CONTACT: Gale Richardson, Loan Specialist, Single Family Housing, Rural Housing Service, 1400 Independence Avenue, SW., Mail Stop 0783, Washington, DC 20250-0783, telephone number (202) 720-1459.

SUPPLEMENTARY INFORMATION:

Title: Direct Single Family Housing Loans and Grants.

OMB Number: 0575-0172.

Expiration Date of Approval: February 28, 2006.

Type of Request: Extension of a currently approved information collection.

Abstract: The Rural Housing Service (RHS), through its direct single family housing loan and grant programs, provides financial assistance to construct, improve, alter, repair, replace or rehabilitate dwellings, which will provide modest, decent, safe and sanitary housing to eligible individuals in rural areas. To assist a customer, they must provide the Agency with a standard housing application (used by government and private lenders), and provide documentation to support the same. Documentation includes verification of income, financial information on assets and liabilities, etc. The information requested is comparable to that required by any private mortgage lender. To assist individuals in obtaining affordable housing, a borrower's house payment may be subsidized to an interest rate as low as 1%. The amount of subsidy is based upon the customer's household income. After receipt of this information, if the customer obtains a loan from RHS, they must update income information on an annual basis to renew the payment subsidy. The aforementioned information required by RHS is vital to be able to process applications for RHS assistance and make prudent loan underwriting and program decisions. It includes borrower financial information such as household income, assets and liabilities and
