(2) On March 27, 2003, the Department published the final results of a changed circumstances review that excluded from the scope of the order pencils produced under U.S. patent number 6,217,242, from paper infused with scents by the means covered in the above-referenced patent, thereby having odors distinct from those that may emanate from pencils lacking the scent infusion. *See Notice of Final Results of Antidumping Duty Changed Circumstances Review, and Determination to Revoke Order in Part: Certain Cased Pencils from the People's Republic of China*, 68 FR 14942 (March 27, 2003).

Initiation of Changed Circumstances Review:

Pursuant to section 751(b)(1) of the Act, the Department will conduct a changed circumstances review upon receipt of information concerning, or a request from an interested party for a review of, an AD duty order which shows changed circumstances sufficient to warrant a review of the order. On April 14, 2005, Notch requested a ruling from the Department in accordance with 19 CFR 351.216(b) to exclude the novelty jumbo pencil described above from the AD order. Therefore, pursuant to section 751(b)(1) of the Act and 19 CFR 351.216(b), we are initiating a changed circumstances administrative review. Although Sanford et al expressed a lack of interest in the order with respect to the large novelty pencil in question, they did not claim that they represent substantially all of the production of the domestic like product, nor has the Department made such a determination. Therefore, the Department is not at this time preliminarily revoking the AD order with respect to the product in question pursuant to 19 CFR 351.222(g)(1). Interested parties are invited to comment on this initiation, or to demonstrate that the domestic interested parties account for substantially all of the production of the domestic like product.

The Department will publish in the **Federal Register** a notice of preliminary results of changed circumstances antidumping duty administrative review in accordance with 19 CFR 351.221(b)(4) and 351.221(c)(3)(i), which will set forth the Department's preliminary factual and legal

conclusions. Pursuant to 19 CFR 351.221(b)(4)(ii), interested parties will have an opportunity to comment on the preliminary results. The Department will issue its final results of review in accordance with the time limits set forth in 19 CFR 351.216(e).

This notice is published in accordance with section 751(b)(1) of the Act.

Dated: August 22, 2005.
