### Notice of Lodging of Consent Decree Under Comprehensive Environmental Response, Compensation and Liability Act

Under 28 CFR 50.7, notice is hereby given that on August 18, 2005, a proposed Consent Decree in *United States v. Novelis Corporation*, Civil No. 05-1046, was lodged with the United

States District Court for the Northern District of New York.

This action concerns the Pollution Abatement Services, Inc. Superfund Site in Oswego, New York and the Fulton Terminals Sites in Fulton, New York (Sites). In this action, the United States asserted claims against Novelis Corporation under Section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. 9607(a), for recovery of response costs incurred regarding the Sites. The proposed consent decree embodies an agreement with Novelis to pay \$572,000 of EPA's past response costs. The decree provides Alcan with a covenant not to sue under Section 107(a) of CERCLA.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Novelis Corporation*, D.J. No. 90-11-2-2/4.

The Consent Decree may be examined at the Office of the United States Attorney for the Northern District of New York, 445 Broadway, Albany, NY 12207, and at the Region II Office of the U.S. Environmental Protection Agency, Region II Records Center, 290 Broadway, 17th Floor, New York, NY 10007-1866. During the public comment period, the Consent Decree also may be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the Consent Decree also may be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov)), fax No. (202) 514-0097, phone confirmation number (202) 514-1547. #### Notice Pursuant to the National Cooperative Research and Production Act of 1993—World Council of Optometry Global Commission on Ophthalmic Standards

Notice is hereby given that, on July 20, 2005, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), World Council of Optometry Global Commission on Ophthalmic Standards ("WCO GCOS") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: World Council of Optometry Global Commission on Ophthalmic Standards, Elkins Park, PA. The nature and scope of WCO GCOS's standards development activities are: the WCO GCOS provides for voluntary, impartial ophthalmic product evaluation resulting in the issuance of a seal of acceptance for those ophthalmic products that meet published standards specifications developed by the WCO GCOS, including biological, laboratory, and/or clinical evaluations, or the issuance of a seal of certification for those ophthalmic products that meet standards already approved by accepted standards organizations and which are designated for use by the WCO GCOS. The WCO GCOS selects the categories of products to be evaluated and develops evaluation specifications/standards for those ophthalmic products using the American National Standard Institute's Third Party Certification Program Principles (ANSI Z34. 1-1993). Product categories for which the WCO GCOS currently has approved standards are: ultraviolet absorbers and blockers. Additional categories are always under review. The WCO GCOS abides by a strict Code of Conduct for reviewing any applications for seals of acceptance or certification and for developing
