

the proper performance of our functions.

- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Abstract of Proposed Collection

The form is used prior to passport issuance and solicits information relating to the loss of a valid U.S. passport. The information is used by the United States Department of State to ensure that no person shall bear more than one valid or potentially valid U.S. passport at any one time, except as authorized by the Department, and is also used to combat passport fraud and misuse.

Methodology

This form is used in conjunction with the Form DS-11 Application for a U.S. passport or submitted separately to report loss or theft of a U.S. passport. Passport Services collects the information when a U.S. citizen or non-citizen national applies for a new U.S. passport and has been issued a previous, still valid U.S. passport that has been lost or stolen, or when a passport holder independently reports it lost or stolen. Passport applicants can either download the form from the internet or pick one up at any Passport Agency or Acceptance Facility.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Abstract of Proposed Collection

The Affidavit of Identifying Witness (Form DS-71) is used by the Department of State in making a determination of the applicant's eligibility to be documented as a citizen or a non-citizen national of the United States. The form is used by Acceptance Agents and Consular Officers to collect information for the purpose of establishing the identity of a passport applicant who has not submitted adequate evidence with his/her passport application. The primary purpose for soliciting the information is to establish identity and entitlement to issuance of a U.S. passport, and to properly administer and enforce the laws pertaining to issuance thereof. Lack of identity information may result in the refusal to issue a U.S. passport. Inaccurate identity evidence could possibly result in issuance of a passport to a non-U.S. citizen or to anyone using an assumed identity.

Methodology

The Affidavit of Identifying Witness (Form DS-71) is used in conjunction with the Application for a U.S. Passport (Form DS-11). Along with the DS-71, the customer's insufficient or unacceptable identity documents are recorded. The identifying witness completes the form for a person applying for a passport who is unable to properly identify himself or herself at the acceptance facility/passport agency in the presence of the Acceptance Agent/Consular Officer.

Dated: August 18, 2005.
