

In addition to the certifications described above, the companies submitted documentation establishing the following: (1) The date on which they first shipped wooden bedroom furniture for export to the United States and the date on which the wooden bedroom furniture was first entered, or withdrawn from warehouse, for consumption; (2) the volume of their first shipment and the volume of subsequent shipments (if applicable); and (3) the date of their first sale to an unaffiliated customer in the United States.

The Department conducted Customs database queries to confirm that Kunyu's, Landmark's, Meikangchi's, and WBE's shipments of subject merchandise had entered the United States for consumption and had been suspended for antidumping duties.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we find that the requests submitted by Kunyu, Landmark, Meikangchi, and WBE meet the threshold requirements for initiation of a new shipper review for shipments of wooden bedroom furniture from the PRC produced and exported by these companies.

The POR is June 24, 2004, through June 30, 2005. See 19 CFR 351.214(g)(1)(i)(B). We intend to issue preliminary results of these reviews no later than 180 days from the date of initiation, and final results of these reviews no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Because Kunyu, Landmark, Meikangchi, and WBE have certified that they produced and exported the wooden bedroom furniture on which they based their respective requests for a new shipper review, we will instruct Customs and Border Protection to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of wooden bedroom furniture that was both produced and exported by these companies until the completion of the new shipper reviews, pursuant to section 751(a)(2)(B)(iii) of the Act.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: August 30, 2005.

Final Results of Expedited Sunset Review of Countervailing Duty Order: Fresh and Chilled Atlantic Salmon From Norway

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On February 2, 2005, the Department of Commerce ("the Department") initiated a sunset review of the countervailing duty ("CVD") order on fresh and chilled Atlantic salmon from Norway pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). See *Initiation of Five-year ("Sunset") Reviews*, 70 FR 5415 (February 2, 2005). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of the domestic interested parties, as well as inadequate response (in this case, no response) from respondent interested parties, the Department conducted an expedited sunset review of this CVD order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B). As a result of this sunset review, the Department finds that revocation of the CVD order would be likely to lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the "Final Results of Review" section of this notice.

EFFECTIVE DATE: September 8, 2005.

FOR FURTHER INFORMATION CONTACT: Tipten Troidl or David Goldberger, AD/CVD Operations, Office 3, Import Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1767 or (202) 482-4136, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 2005, the Department initiated a sunset review of the countervailing duty order on fresh and chilled Atlantic salmon from Norway pursuant to section 751(c) of the Act. See *Initiation of Five-year ("Sunset") Reviews*, 70 FR 5415 (February 2, 2005). On February 17, 2005, the Department

received a notice of intent to participate on behalf of Heritage Salmon Company, Inc. and Atlantic Salmon of Maine within the deadline specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status as domestic producers of fresh and chilled Atlantic salmon pursuant to section 771(9)(C) of the Act. The Department received a complete substantive response from the domestic parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from any respondent interested party to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited sunset review of this CVD order.

The Department determined that the sunset review of the CVD order on fresh and chilled Atlantic salmon from Norway is extraordinarily complicated. In accordance with section 751(c)(5)(C)(v) of the Act, the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). Therefore, on May 13, 2005, the Department extended the time limit for completion of the final results of this review until not later than August 31, 2005.¹

Scope of the Order

The merchandise covered by this order is the species Atlantic salmon (*Salmo salar*) marketed as specified herein; the order excludes all other species of salmon: Danube salmon, Chinook (also called "king" or "quinnat"), Coho ("silver"), Sockeye ("redfish" or "blueback"), Humpback ("pink") and Chum ("dog"). Atlantic salmon is a whole or nearly-whole fish, typically (but not necessarily) marketed gutted, bled, and cleaned, with the head on. The subject merchandise is typically packed in fresh-water ice ("chilled"). Excluded from the subject merchandise are fillets, steaks and other cuts of Atlantic salmon. Also excluded are frozen, canned, smoked or otherwise processed Atlantic salmon. Prior to January 1, 1990, Atlantic salmon was provided for under item numbers 0302.12.0060.8 and 0302.12.0065.3 of the Harmonized Tariff Schedule of the

United States ("HTSUS") (56 FR 7678, February 25, 1991). At the time of the original investigation, it was provided for under HTSUS item number 0302.12.0002.9. Currently, it is provided for under HTSUS item numbers 0302.12.0003 and 0302.12.0004.² The subheadings above are provided for convenience and customs purposes. The written description remains dispositive.

There have been no scope rulings for the subject order.

Tillman, Acting Deputy Assistant Secretary for Import Administration, to Joseph A. Spetrini, Acting Assistant Secretary for Import Administration, dated August 30, 2005, which is hereby adopted by this notice. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendation in this public memorandum which is on file in the Central Records Unit room B-099 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. Final Results of Review

The Department determines that revocation of the CVD order on fresh and chilled Atlantic salmon would be likely to lead to continuation or recurrence of a countervailable subsidy at the rate listed below:

Manufacturer/exporters	Net Countervailable Subsidy (percent)
All producers/manufacturers/exporters	2.27

AGENCY: National Institute of Standards and Technology (NIST), Commerce.

ACTION: Notice. Request for comments.

SUMMARY: The National Institute of Standards and Technology (NIST) announces proposed changes to Federal Information Processing Standard (FIPS) Publication 201, Standard for Personal Identity Verification of Federal Employees and Contractors. The changes to Section 2.2, PIV Identify Proofing and Registration Requirements, and to Section 5.3.1, PIV Card Issuance, will clarify the identity proofing and registration process that departments and agencies should follow when issuing identity credentials. These changes are required to make FIPS 201 consistent with the Memorandum for All Departments and Agencies (M-05-24), issued by the Office of Management and Budget on August 5, 2005, Implementation of Homeland Security Presidential Directive (HSPD) 12—Policy for a Common Identification Standard for Federal Employees and Contractors. Before recommending these proposed changes to FIPS 201 to the Secretary of Commerce for review and approval, NIST invites comments from the public, users, the information technology industry, and Federal, State and local government organizations concerning the proposed changes.

DATES: Comments on these proposed changes must be received by October 11, 2005.

SUPPLEMENTARY INFORMATION: Homeland Security Presidential Directive (HSPD) 12, Policy for a Common Identification Standard for Federal Employees and Contractors, dated August 27, 2004, directed the Secretary of Commerce to promulgate, by February 27, 2005, a Government-wide standard for secure and reliable forms of identification to be issued by the Federal Government to its employees and contractors (including contractor employees). FIPS 201 was developed to satisfy the technical, administrative, and timeliness requirements of HSPD 12. The standard was developed in a "manner consistent with the Constitution and applicable laws, including the Privacy Act (5 U.S.C. 552a) and other statutes protecting the rights of Americans" as required in HSPD 12.

To assist departments and agencies in implementing the provisions of FIPS 201, Joshua Bolten, the Director of the Office of Management and Budget (OMB), issued a Memorandum for All Departments and Agencies on August 5, 2005 entitled "Implementation of Homeland Security Presidential Directive (HSPD) 12—Policy for a Common Identification Standard for Federal Employees and Contractors." The Memorandum provides implementation guidance and clarifies the requirements for identity proofing, registration and accreditation processes. Two provisions of FIPS 201 as promulgated by the Secretary of Commerce earlier this year are not consistent with the guidance contained in the Bolten Memorandum and those provisions of FIPS 201 are hereby proposed for revision.
