DEPARTMENT OF AGRICULTURE

Agricultural Research Service

7 CFR Part 500

RIN 0518-AA02

National Arboretum

AGENCY: Agricultural Research Service; Research, Education, and Economics; USDA.

ACTION: Final rule.

SUMMARY: The Department of Agriculture (USDA) is modifying the rules of conduct at the United States National Arboretum (USNA) and the schedule of fees to be charged for certain uses of the facilities, grounds, and services at the USNA.

DATES: This rule is effective October 24, 2005.

ADDRESSES: Address all correspondence to Thomas S. Elias, Director, U.S. National Arboretum, Beltsville Area, Agricultural Research Service, 3501 New York Avenue, NE., Washington, DC 20002.

FOR FURTHER INFORMATION CONTACT:

Dana Laster, Administrative and Marketing Manager, U.S. National Arboretum, Beltsville Area, ARS, 3501 New York Avenue, NE., Washington, DC 20002; (202) 245-4539.

SUPPLEMENTARY INFORMATION:

Background

Section 890(b) of the Federal Agriculture Improvement and Reform Act of 1996, Pub. L. 104-127 (1996 Act) expanded the authorities of the Secretary of Agriculture to charge reasonable fees for the use of USNA facilities and grounds. These authorities included the ability to charge fees for temporary use by individuals or groups of USNA facilities and grounds consistent with the mission of the USNA. In addition, authority was granted to charge fees for the use of the USNA for photography and cinematography. Pursuant to the Act, the Agricultural Research Service (ARS) promulgated a fee schedule for the USNA at 7 CFR part 500, subpart B. All rules and regulations noted in 7 CFR part 500, subpart A, Conduct on the U.S. National Arboretum Property, also apply to individuals or groups granted approval to use the facilities and grounds.

A proposed rule revising the USNA fee and conduct rules at 7 CFR part 500 was published for comment on December 20, 2004 (69 FR 75880). One hundred one comments were received from individuals and six organizations. The vast majority of public comments (approximately 96 percent) were received with regards to commercial photography. The majority of commentators asserted that Public Law 106-206, 16 U.S.C. 4601-6d(a), which governs the "lands" administered by the Secretary, supersedes the earlier authority granted the Secretary codified at 20 U.S.C. 196(a) with respect to commercial photography at the USNA. USDA asserts that the controlling authority for charging fees for photography and cinematography at the USNA is found at 20 U.S.C. 196(a)(5) which permits USDA to "charge such fees as the Secretary of Agriculture considers reasonable for the use of the National Arboretum for commercial photography or cinematography."

Nevertheless, § 500.23 was revised to only charge a fee for the use of the facility and grounds of the USNA for commercial photography or cinematography that use models, sets, or props that are not part of the site's natural or cultural resources or administrative facilities; take place where members of the public are generally not allowed; or take place at a location where additional administrative costs are likely. This action provides a balance both to allow photography and cinematography, yet also allow the USNA the ability to charge fees under prescribed conditions that are consistent with Public Law 106-206 to assure the integrity of the USNA as a public facility.

Further comments by stakeholders that are addressed by revisions in this final rule are as follows: (1) To assure the coverage of potential damage to property and collections, the addition of a refundable deposit for use of the facility or grounds, excluding the classroom, is included. (2) As recommended, the user fee for the Friendship Garden is increased to \$1,500 to be comparable to other USNA locations. (3) The prohibition without the prior approval of the USNA Director to distribute materials was reworded. Prior approval by the USNA Director is only required to distribute materials to USNA general public visitors. (4) A clarification on the use of candles at events was made. The use of small candles has been included in the final rule. (5) As requested, the wording regarding receipts has been changed. (6) Concern that the 30-day advance notice for special events is too excessive. A 2-day advanced notice does not provide the USNA with adequate time to prepare sites and assign staff and supervision as needed which includes upfront time to change employee work schedules. However, the advance notice minimum was modified to 15 calendar days. (7) Concern over the exclusion of events on peak weekends and during normal visitation periods. Reference to the exclusion was deleted. (8) Concern that 10 working days for response by USNA is excessive. The response time was modified to a maximum of five working days. (9) Concern that the two weeks advance payment for tours is too lengthy. The advance payment requirement was modified to a one week minimum.

Revisions to the final rule were not made in response to some stakeholder comments because they were deemed not to be in the best interest of the government. These include the following: (1) Desire to automatically waive use fees for stakeholders.

Automatically waiving use fees for all events greatly would diminish the financial support to the USNA. (2) Concern that the prior approval to serve beer and wine is unnecessary and unwarranted. Current ARS policy requires prior approval by the USNA Director and Beltsville Area Director for the consumption of beer and wine at the USNA. Departmental regulations as well as Federal Property Management Regulations restrict use of alcohol on Federal property. (3) A request was made to allow raffles at the USNA. Raffles require a permit from the District of Columbia and may reflect a less than positive image of USDA when raffles are held on USDA property. (4) A comment that fees collected will be dedicated, in part, for the maintenance of the particular USNA site that generated the fees. Since the funds generated will be used to maintain the USNA, the more popular facilities will naturally tend to receive more of the funds, but the USNA is not committing to a rigid funding formula. (5) Concern that the fee for use of the courtyard area within the National Bonsai and Penjing Museum is too low. The fee is in line with facilities use fees in other institutions and in consideration of the geographical location of the USNA. The fee will be evaluated and reconsidered after the first and second years of facilities use. Fees may be adjusted based upon the demand for this space and the level of maintenance needed to support the facilities use.

Lastly, some stakeholder comments reflect current practices of the USNA and therefore are not addressed in the final rule. These include: (1) Concern about closing the Bonsai and Penjing Museum during normal visitation hours for special events. The current policy is that special events will generally not result in the closing of the Museum to visitors during normal visitation hours; however, special exceptions may be made at the discretion of the USNA Director; (2) Concern over staffing for security during special events. The current practice of the USNA is to provide additional supervision, including additional security staff, as necessary to protect the grounds and assets of the USNA; (3) Concern about protecting and preserving the existing facilities and landscape at the Friendship Garden. Guidelines issued by the USNA for facilities use will help ensure that the quality and condition of the garden displays, collections, and facilities are not compromised.

Classification

This rule change has been reviewed under Executive Order 12866, and it has

been determined that it is not a "significant regulatory action" rule because it will not have an annual effect on the economy of \$100 million or more or adversely and materially affect a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or Tribal governments or communities. This rule change will not create any serious inconsistencies or otherwise interfere with actions taken or planned by another agency. It will not materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof, and does not raise novel legal or policy issues arising out of legal mandates, the President's priorities, or principles set forth in Executive Order 12866.

Regulatory Flexibility Act

The Department of Agriculture certifies that this rule change will not have a significant impact on a substantial number of small entities as defined in the Regulatory Flexibility Act, Pub. L. No. 96-354, as amended (5 U.S.C. 601, et seq.).

Paperwork Reduction Act

In accordance with the Office of Management and Budget (OMB) regulations (5 CFR part 1320) which implement the Paperwork Reduction Act of 1995, Pub. L. 104-13, as amended (44 U.S.C. chapter 35), the information collection and recordkeeping requirements that have been imposed in the management of these programs have been approved by OMB and assigned OMB control number 0518-0024 for the use of facilities or the performance of photography/cinematography at the USNA.

The USNA will not store temporary facilities or equipment for users.

(2) Users must abide by USNA vehicle regulations in § 500.11 including the

In the event of building, property, or grounds damage or excessive cleaning requirements, the deposit will be used for repair and remediation and the balance will be refunded within 30 days of the event date. In the event that cleaning requirements or damage to the building, property or grounds exceeds the amount of the refundable deposit, the deposit will be used in full, with additional charges billed and due within 30 days of billing. Damages to plants, grounds, facilities, or equipment will be assessed on a value based on replacement costs, including labor.

(ii) *Refundable Deposit Schedule.*

(9) The USNA is a Federal property under the jurisdiction of the United States Department of Agriculture.

All activities are subject to Federal rules and regulations governing the use of public buildings and grounds.

(10) The USNA will not be responsible for any damage or loss suffered by an individual, group, or their contractor during a permitted event at the USNA.

(11) The Director may impose additional incidental terms and conditions concerning the use of the USNA facilities consistent with this part.

(12) Marriage ceremonies and accompanying receptions may only be held in the Dogwood Collection.

§ 500.23 Fees for commercial photography and cinematography on grounds.

The USNA may charge a fee for the use of the facility or grounds for purposes of commercial photography or cinematography as specified in § 500.24. Facilities and grounds are available for use for commercial photography or cinematography at the discretion of the USNA Director. Requests for use should be made a minimum of two weeks in advance of the required date. The USNA will charge for supervision costs at the rate of \$40.00 per hour per security officer, in addition to the fees listed below. The USNA Director may waive fees for photography or cinematography conducted for the purpose of disseminating information to the public regarding the USNA and its mission or for the purpose of First Amendment activity.
