SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to waive the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a waiver of the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing. The basis for waivers is that no small business manufacturers are supplying these classes of products to the Federal government. The effect of a waiver would be to allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses, service disabled veteran-owned small businesses or SBA's 8(a) Business Development Program. The purpose of this notice is to solicit comments and potential source information from interested parties.

DATES: Comments and sources must be submitted on or before October 7, 2005.

FOR FURTHER INFORMATION CONTACT: Edith Butler, Program Analyst, by telephone at (202) 619-0422; by FAX at 481-1788; or by e-mail at edith.butler@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act, (Act) 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses, service-disabled veteran-owned small businesses, or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor. This requirement is commonly referred to as the Nonmanufacturer Rule.

The SBA regulations imposing this requirement are found at 13 CFR

121.406 (b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors in the Federal market.

As implemented in SBA's regulations at 13 CFE 121.1204, in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months. The SBA defines "class of products" based on six digit coding systems. The first coding system is the Office of Management and Budget *North American Industry Classification System (NAICS)*. The second is the Product and Service Code required as a data entry field by the Federal Procurement Data System.

The SBA is currently processing a request to waive the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing, North American Industry Classification System (NAICS) 325992. The public is invited to comment or provide source information to SBA on the proposed waiver of the nonmanufacturer rule for this NAICS code.

Authority: 15 U.S.C. 637(A)(17).

Dated: September 15, 2005.

Associate Administrator for Government Contracting.

Modifications to the Disability Determination Procedures; Extension of Testing of Some Disability Redesign Features

AGENCY: Social Security Administration (SSA).

ACTION: Notice of the extension of tests involving modifications to the disability determination procedures.

SUMMARY: We are announcing the extension of tests involving modifications to our disability determination procedures that we are conducting under the authority of current rules codified at 20 CFR 404.906 and 416.1406. These rules provide authority to test several modifications to the disability determination procedures that we normally follow in adjudicating claims for disability insurance benefits under title II of the Social Security Act (the Act) and for supplemental security income payments based on disability under title XVI of the Act. On July 27, 2005, we published a Notice of Proposed Rulemaking that described an approach to improve the disability determination process. We have decided to extend the testing of two redesign features of the disability prototype for 12 months to ensure a smooth transition while these changes to the disability determination process are being finalized and implemented.

DATES: We are extending our selection of cases to be included in these tests from September 30, 2005 until no later than September 30, 2006. If we decide
