

environmental impacts of the proposed determination for the subject corn event. The petition and the environmental assessment and any comments received are available for public review, and copies of the petitions and the environmental assessment are available as indicated in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

After the comment period closes, APHIS will review the data submitted by the petitioner, all written comments received during the comment period, and any other relevant information. After reviewing and evaluating the comments on the petition and the environmental assessment and other data and information, APHIS will furnish a response to the petitioner, either approving the petition in whole or in part, or denying the petition. APHIS will then publish a notice in the **Federal Register** announcing the regulatory status of Monsanto's high lysine corn event LY038 and the availability of APHIS' written decision.

Authority: 7 U.S.C. 1622n and 7701-7772; 31 U.S.C. 9701; 7 CFR 2.22, 2.80, and 371.3.

Done in Washington, DC, this 21st day of September 2005.

Elizabeth E. Gaston,

Acting Administrator, Animal and Plant Health Inspection Service.

Top-of-the-Stove Stainless Steel Cooking Ware from the Republic of Korea and Taiwan; Final Results of the Expedited Sunset Reviews of the Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 1, 2005, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty orders on top-of-the-stove stainless steel cooking ware ("cooking ware") from the Republic of Korea ("Korea") and Taiwan pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). The Department conducted expedited (120-day) sunset reviews of these orders. As a result of these sunset reviews, the Department finds that revocation of the antidumping duty orders would be likely to lead to continuation or recurrence of dumping. The dumping margins are identified in the *Final Results of Reviews* section of this notice.

EFFECTIVE DATE: September 27, 2005.

FOR FURTHER INFORMATION CONTACT: Zev Primor, AD/CVD Operations, Office IV, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4114.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2005, the Department published the notice of initiation of the second sunset reviews of the antidumping duty orders on cooking ware from Korea and Taiwan pursuant to section 751(c) of the Act. See *Initiation of Five-Year ("Sunset") Reviews*, 70 FR 9919 (March 1, 2005). The Department received the Notice of

Intent to Participate from Regal Ware, Inc.; Vita Craft Corporation; and Paper Allied Industrial Chemical & Energy Workers (Local 7-0850) (collectively "the domestic interested parties"), within the deadline specified in 19 CFR 351.218(d)(1)(i) ("Sunset Regulations"). The domestic interested parties claimed interested party status under sections 771(9)(C) and (D) of the Act, as manufacturers of a domestic-like product in the United States, and unions whose workers are engaged in the production of a domestic-like product in the United States.

We received complete substantive responses from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no responses from respondent interested parties with respect to any of the orders covered by these sunset reviews. As a result, pursuant to section 751(c)(4)(A) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted expedited (120-day) sunset reviews of these orders for Korea and Taiwan.

Scope of the Orders

The merchandise subject to these antidumping orders is cooking ware from Korea and Taiwan. The subject merchandise is all non-electric cooking ware of stainless steel which may have one or more layers of aluminum, copper or carbon steel for more even heat distribution. The subject merchandise includes skillets, frying pans, omelette pans, saucepans, double boilers, stock pots, dutch ovens, casseroles, steamers, and other stainless steel vessels, all for cooking on stove top burners, except tea kettles and fish poachers. Excluded from the scope of the orders are stainless steel oven ware and stainless steel kitchen ware. The subject merchandise is currently classifiable under Harmonized Tariff Schedule of the United States ("HTSUS") item numbers 7323.93.00 and 9604.00.00. The HTSUS item numbers are provided for convenience and Customs purposes only. The written description remains dispositive.

The Department has issued several scope clarifications for these orders. The Department found that "universal pan lids" are not within the scope of the orders (57 FR 57420 (December 4, 1992)) and Max Burton's StoveTop Smoker is within the scope of the orders (60 FR 36782 (July 18, 1995)). Certain stainless steel pasta and steamer inserts (63 FR 41545 (August 4, 1998)), certain stainless steel eight-cup coffee percolators (58 FR 11209, February 24, 1993), and certain stainless steel stock pots and covers are within the scope of
