the workers possess skills that are not easily transferable, and competitive conditions within the industry are adverse.

After careful review of the facts obtained in the investigation, I determine that there was a shift in production of infant and toddler underwear from the workers' firm or subdivision to China and Thailand of articles that are like or directly competitive with those produced by the subject firm or subdivision. In accordance with the provisions of the Act, I make the following certification:

''All workers of Dana Undies, Colquitt, Georgia (TA–W–55,395B) who became totally or partially separated from employment on or after August 6, 2002 through two years from the date of certification are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.''

Signed in Washington, DC, this 12th day of September, 2005.

Pursuant to Section 221 of the Trade Act of 1974, as amended, an investigation was initiated on August 31, 2005 in response to a worker petition filed on behalf of workers at two locations of Del Laboratories, Little Falls, New York, and Union Dale, New York.

Two locations affected comprise two distinct worker groups. According to the Trade Act of 1974, a valid petition filed by workers must consist of three petitioning workers for a particular worker group. Consequently, the investigation has been terminated.
