SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17f-2(d); SEC File No. 270-36; OMB Control No. 3235-0028.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for approval of extension on the following rule and form: Rule 17f-2(d).

Rule 17f-2(d) was adopted on March 16, 1976, and was last amended on November 18, 1982. Paragraph (d) of the rule (i) requires that records produced pursuant to the fingerprinting requirements of Section 17(f)(2) of the Securities Exchange Act of 1934 ("Exchange Act") be maintained, (ii) permits the designated examining authorities of broker-dealers or members of exchanges, under certain circumstances, to store and maintain records required to be kept by this rule, and (iii) permits the required records to be maintained on microfilm.

The general purpose of Rule 17f-2 is: (i) To identify security risk personnel; (ii) to provide criminal record information so that employers can make fully informed employment decisions; and (iii) to deter persons with criminal records from seeking employment or association with covered entities.

Retention of fingerprint records, as required under paragraph (d) of the Rule enables the Commission or other examining authority to ascertain whether all required persons are being fingerprinted and whether proper procedures regarding fingerprinting are being followed. Retention of these records for the term of employment of all personnel plus three years ensures that law enforcement officials will have easy access to fingerprint cards on a

timely basis. This in turn acts as an effective deterrent to employee misconduct.

Approximately 9,468 respondents are subject to the recordkeeping requirements of the rule. Each respondent keeps approximately 32 new records per year, which takes approximately 2 minutes per record for the respondent to maintain, for an annual burden of 64 minutes per respondent. All records subject to the rule must be retained for the term of employment plus 3 years. The Commission estimates that the total annual cost to submitting entities is approximately \$196,850. This figure reflects estimated costs of labor and storage of records. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: September 20, 2005.

Secretary.

Issuer Delisting; Notice of Application of The Black & Decker Corporation To Withdraw Its Common Stock, \$.50 Par Value, From Listing and Registration on the Pacific Exchange, Inc.

September 21, 2005.

On August 26, 2005, The Black & Decker Corporation, a Maryland corporation, ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$.50 par value ("Security"), from listing and registration on the Pacific Exchange, Inc. ("PCX").

On July 21, 2005, the Board of Directors ("Board") of the Issuer approved a resolution to withdraw the Security from listing and registration on PCX. The Issuer stated that the following reasons factored into the Board's decision to withdraw the Security from PCX: (i) The Issuer has maintained a dual listing of the Security on the New York Stock Exchange ("NYSE") and PCX since February 15, 1985; (ii) the primary exchange for trading the Security is NYSE; (iii) a *de minimus* amount of the Security is traded on PCX; (iv) at the time of the Issuer's initial listing on PCX, a regional exchange listing was thought to provide added liquidity to a nationally-traded stock because some investors traded only on regional exchanges; (v) since that time, however, advances in electronic trading platforms have essentially created a single domestic trading platform and eliminated the benefit of dual listings on regional exchanges; and (vi) listing on a regional exchange no longer provides any additional value, and delisting from PCX will save costs by eliminating fees associated with the listing and reduce reporting activities.

The Issuer stated in its application that it has complied with applicable
