Adoption of Updated EDGAR Filer Manual

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Securities and Exchange Commission (the Commission) is adopting revisions to the Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) Filer Manual to reflect changes made to improve, reorganize and restructure the EDGAR Filer Manual volumes to make it easier for filers and those wishing to apply for EDGAR access codes to locate the information that they need to apply for EDGAR access, maintain company information and submit a filing. With this reorganization, no changes have been made to the filing process.

The revisions to the Filer Manual reflect changes within Volumes I, II and III, entitled "EDGAR Filer Manual Volume I General Information," "EDGAR Filer Manual Volume II EDGAR Filing," and "EDGAR Filer Manual Volume III N-SAR Supplement" respectively. The updated manual will be incorporated by reference into the Code of Federal Regulations.

EFFECTIVE DATE: October 14, 2005. The incorporation by reference of the EDGAR Filer Manual is approved by the Director of the Federal Register as of October 14, 2005.

FOR FURTHER INFORMATION CONTACT: In the Office of Information Technology, Rick Heroux, at (202) 551-8800; for questions concerning the Division of Corporation Finance filings, in the Division of Corporation Finance, Herbert Scholl, Office Chief, EDGAR and Information Analysis, at (202) 942-

2940; for questions concerning the Division of Investment Management filings, in the Division of Investment Management, Ruth Armfield Sanders, Senior Special Counsel, at (202) 551-6989; and, in the Office of Filings and Information Services, Velma Smith, at (202) 942-8900.

SUPPLEMENTARY INFORMATION: Today we are adopting an updated EDGAR Filer Manual (Filer Manual). The Filer Manual describes how to become an EDGAR filer and the technical formatting requirements for the preparation and submission of electronic filings through the EDGAR system.¹ It also describes the requirements for filing using EDGARLink² and the Online Forms/XML Web site.

The Filer Manual contains all the technical specifications for filers to submit filings using the EDGAR system. Filers must comply with the applicable provisions of the Filer Manual in order to assure the timely acceptance and processing of filings made in electronic format.³ Filers should consult the Filer Manual in conjunction with our rules governing mandated electronic filing when preparing documents for electronic submission.⁴

¹ We originally adopted the Filer Manual on April 1, 1993, with an effective date of April 26, 1993. Release No. 33-6986 (April 1, 1993) [58 FR 18638]. We implemented the most recent update to the Filer Manual on June 6, 2005. See Release No. 33-8573 (May 19, 2005) [70 FR 30899].

² This is the filer assistance software we provide filers filing on the EDGAR system.

³ See Rule 301 of Regulation S-T (17 CFR 232.301).

The revisions to the EDGAR Filer Manual volumes are being made to improve, reorganize and restructure the EDGAR Filer Manual volumes to make it easier for filers, and those wishing to apply for EDGAR access codes, to locate the information that they need to apply for EDGAR access, maintain company information and submit electronic filings. The EDGAR Filer Manual has also been rearranged to eliminate information that was repeated between the different volumes and to be more aligned with the logical functions performed by EDGAR users. The reorganized filer manual does not include any changes to the filing process.

The EDGAR Filer Manual Volume I General Information covers the EDGAR application process, outlines how to keep company data, which is stored in EDGAR, current and provides a brief introduction to the filing process. The appendices in this volume, as well as those that are a part of the other volumes, "Glossary of Commonly Used Terms, Acronyms, and Abbreviations" and "Frequently Asked Questions" for example, only contain information specific to the processes and concepts covered within the volume. The appendices are no longer repeated in each volume. Volume I is intended to be a reference for those that need to obtain EDGAR access, those that are new to EDGAR and those that are responsible for keeping company information current.

The EDGAR Filer Manual Volume II EDGAR Filing focuses entirely on the filing process. It illustrates each step of the process to submit an electronic submission and helps filers understand the tools provided by the SEC for constructing and transmitting those submissions, concisely consolidating information previously provided in the former EDGAR Release 9.0 EDGARLink Filer Manual Volume I and EDGAR Release 9.0 OnlineForms Filer Manual Volume III. It also provides a much improved Index to Forms which, in addition to the Submission Type and Description, adds the name of the tool (e.g., EDGARLink or Online Forms/XML Web site), the template number that contains that particular submission type and the Filer Constructed Form Specification (formerly known as "Reduced Content Filing Specification") that should be used by those that

Release No. 33-8454 (August 6, 2004) [69 FR 49803] in which we implemented EDGAR Release 8.8; Release No. 33-8528 (February 3, 2005) [70 FR 6573] in which we implemented EDGAR Release 8.10; and Release No. 33-8573 (May 19, 2005) [70 FR 30899] in which we implemented EDGAR Release 9.0.

prepare filings without using EDGARLink or the OnlineForms/XML Web site. The Index to Forms is provided in alphanumeric order, which can be used by those that only know the submission type, as well as by Act. This volume is intended to be a reference for those that are responsible for submitting filings to the SEC via the EDGAR system.

The EDGAR Filer Manual Volume III N-SAR Supplement is the guide for preparing the electronic submissions of Form N-SAR. While this volume used to be Volume II of the EDGAR Filer Manual, its current content has remained essentially unchanged with the exception of the minor modifications necessary to update references to the other updated Filer Manual volumes.

Prior to the reorganization of the EDGAR Filer Manual, the version numbers assigned to each volume were based upon the EDGAR release number in which it was implemented. As of this revised Filer Manual, each volume will be baselined at Version One and will no longer follow the EDGAR release numbers. This will prevent the need to make changes to the EDGAR Filer Manual volumes simply to update the EDGAR release when none of the other content has been changed. The EDGAR Filer Manual volumes will only be updated when changes are made to the functions contained within a particular volume. Filers should consult the SEC's Public Web site, EDGAR Filing Web site or the EDGAR OnlineForms/XML Web site to determine the current version of the software or documents.

The SEC maintains a number of Web sites and URLs to support the filing process. As more sites and URLs have been developed, it has become more complicated for filers to find the correct site for a single function. To give filers a central location from which they can navigate to the EDGAR Web site that they need to access rather than having to remember the different URLs to each of the EDGAR Filing Web sites, we created an EDGAR Gateway Web site that can be reached at the following URL: <https://www.portal.edgarfiling.sec.gov>. The use of the new EDGAR Gateway Web site is optional. The existing EDGAR Filer Management, EDGAR Filing and EDGAR OnlineForms/XML Web sites can still be accessed as they have previously. The EDGAR Gateway Web site is expected to be available on or about September 26, 2005.

Along with adoption of the Filer Manual, we are amending Rule 301 of Regulation S-T to provide for the incorporation by reference into the Code

of Federal Regulations of today's revisions. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR Part 51.

You may obtain paper copies of the updated Filer Manual at the following address: Public Reference Room, U.S. Securities and Exchange Commission, 100 F Street, NE., Room 1580, Washington DC 20549. We will post electronic format copies on the Commission's Web site; the address for the Filer Manual is <http://www.sec.gov/info/edgar.shtml>. You may also obtain copies from Thomson Financial, the paper document contractor for the Commission, at (800) 638-8241.

Since the Filer Manual relates solely to agency procedures or practice, publication for notice and comment is not required under the Administrative Procedure Act.⁵ It follows that the requirements of the Regulatory Flexibility Act⁶ do not apply.

The effective date for the updated Filer Manual and the rule amendments is fourteen (14) days after publication in the **Federal Register**. Because the changes made to reorganize the Filer Manual were made solely for the purposes of clarity and do not change the filing process, we find that there is good cause to establish an effective date less than 30 days after publication of these rules.

Reinstatement of Entitlement to Disability Benefits

AGENCY: Social Security Administration.

ACTION: Final rules.

SUMMARY: We are publishing final rules regarding the Reinstatement of Entitlement (Expedited Reinstatement) provision in section 112 of the Ticket to Work and Work Incentives Improvement Act of 1999. This provision allows former Social Security disability and Supplemental Security Income (SSI) disability or blindness beneficiaries, whose entitlement or eligibility had been terminated due to their work activity, to have their entitlement or eligibility reinstated in a timely fashion if they become unable to do substantial gainful work. These rules provide beneficiaries an additional incentive to return to work.

DATES: Effective Date: These final rules are effective on October 31, 2005.

Electronic Version: The electronic file of this document is available on the date of publication in the **Federal Register** at <http://www.gpoaccess.gov/fr/index.html>. It is also available on the Internet site for SSA (*i.e.*, Social Security Online): <http://www.socialsecurity.gov/regulations/>.

SUPPLEMENTARY INFORMATION:

Background

The expedited reinstatement provision, along with other work incentives and the Ticket to Work program contained in the Ticket to

Work and Work Incentives Improvement Act of 1999 (Pub. L. 106-170) is intended to expand your options as a Social Security disability beneficiary or a disabled or blind Supplemental Security Income recipient. We expect that the expedited reinstatement provision along with other provisions in the Ticket to Work and Work Incentives Improvement Act of 1999 will remove some of the disincentives that may discourage you from either attempting to work or increasing your work activity. If more beneficiaries with disabilities engage in self-supporting work, the net result will be an increase in the independence of disabled beneficiaries, a reduction in the Social Security and Supplemental Security Income disability rolls, and savings to the Social Security Trust Fund and general revenues.

General Goals of the Expedited Reinstatement Provision

The expedited reinstatement provision is intended to relieve some concerns you may have about returning to work. If we terminate your entitlement or eligibility for benefits due to your work activity, this provision provides you an easier way to have your entitlement or eligibility reinstated and to be placed back into payment status. This process should ease some concerns you may have about what will happen if your attempt to return to work is unsuccessful.

Advice of the Ticket to Work and Work Incentives Advisory Panel

During the preparation of these final rules, we consulted with the Ticket to Work and Work Incentives Advisory Panel. The Ticket to Work and Work Incentives Advisory Panel was established by section 101(f) of the Ticket to Work and Work Incentives Improvement Act of 1999. This panel advises the President, the Congress, and us on issues related to work incentive programs, planning and assistance for individuals with disabilities and the Ticket to Work Program established under this Act.

Section 112 of the Ticket to Work and Work Incentives Improvement Act of 1999

Congress indicated that the purpose of section 112 of the Ticket to Work and Work Incentives Improvement Act of 1999 (the expedited reinstatement provision) was to encourage disability beneficiaries to return to work by reassuring them that if they meet our disability standards their benefits would be restored in a timely fashion should

they become unable to continue working.

The expedited reinstatement provision provides a method for you to have your disability benefits reinstated without filing an application if you have had your entitlement to, or eligibility for, benefits terminated due to your work activity during the previous 5 years, and you can no longer do substantial gainful activity.

Effect of the Expedited Reinstatement Provision

The expedited reinstatement provision provides you another option for regaining entitlement to benefits under title II and eligibility under title XVI of the Act after we have terminated your entitlement to or eligibility for disability benefits due to your work activity. If you file a request for expedited reinstatement, you can still file a new application for benefits under existing initial claim rules.

Prior to the effective date of this provision, when we terminated your entitlement or eligibility due to work activity, you were required to file a new application to become entitled to or eligible for benefits again. We processed your application under rules that required a new disability determination using the medical requirements that we apply when you file an initial claim for benefits. You generally were entitled to receive benefits only after we processed your entitlement or eligibility determination. If we determined that you again qualified for benefits, you became eligible for work incentives such as the trial work period, the reentitlement period, and special SSI eligibility status under your new period of disability.

The expedited reinstatement provision provides you the option of requesting that your prior entitlement to or eligibility for disability benefits be reinstated, rather than filing a new application for a new period of entitlement or eligibility. Since January 1, 2001, you can request to be reinstated to benefits if you stop doing substantial gainful activity within 60 months of your prior termination. At the time you request reinstatement, you must be unable to engage in substantial gainful activity because of your medical condition. Your current impairment must be the same as or related to your prior impairment and you must be disabled. To determine if you are disabled, we will use our medical improvement review standard that we use in our continuing disability review process. Under the medical improvement review standard, we will generally find that you are disabled,
