### Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the Department's regulations regarding *Sunset Reviews* (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of *Sunset Reviews*, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet website at the following address: "http://ia.ita.doc.gov/sunset/." All submissions in these *Sunset Reviews* must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 15 days of the publication of the Notice of Initiation.

Because deadlines in *Sunset Reviews* can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

### Information Required from Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these *Sunset Reviews* must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day

deadline, the Department will automatically revoke the orders without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the *Sunset Review* must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of *Sunset Reviews*.<sup>1</sup> Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: September 20, 2005.

<sup>1</sup> In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

#### Fresh Garlic From the People's Republic of China; Initiation of New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** October 3, 2005.

**SUMMARY:** The Department of Commerce (the "Department") has determined that a request for a new shipper review of the antidumping duty order on fresh garlic from the People's Republic of China ("PRC"), received in May 2005, meets the statutory and regulatory requirements for initiation. The period of review ("POR") of this new shipper review is November 1, 2004, through April 30, 2005.

**FOR FURTHER INFORMATION CONTACT:** Ryan A. Douglas or Wendy Frankel, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1277 and (202) 482-5849, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

The notice announcing the antidumping duty order on fresh garlic from the PRC was published on November 16, 1994. On May 31, 2005, we received a request for a new shipper review from Qufu Dongbao Import & Export Trade Co., Ltd., (Dongbao). Dongbao certified that it grew and exported the garlic on which it based its request for a new shipper review.

#### Initiation of New Shipper Reviews.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2), Dongbao certified that it did not export fresh garlic to the United States during the period of investigation (POI). Pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Dongbao, certified that, since the initiation of the investigation, it has never been affiliated with any exporter or grower who exported fresh garlic to the United States during the POI, including those not individually examined during the investigation. As

required by 19 CFR 351.214(b)(2)(iii)(B), Dongbao also certified that its export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, the exporter submitted documentation establishing the following: (1) the date on which it first shipped fresh garlic for export to the United States and the date on which the fresh garlic was first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment and the volume of subsequent shipments; and (3) the date of its first sale to an unaffiliated customer in the United States.

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we are initiating this new shipper review for shipments of fresh garlic from the PRC grown and exported by Dongbao.

The POR is November 1, 2004, through April 30, 2005. See 19 CFR 351.214(g)(1)(i)(B). We intend to issue preliminary results of these reviews no later than 180 days from the date of initiation, and final results of these reviews no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Because Dongbao has certified that it grew and exported the fresh garlic on which it based its request for a new shipper review, we will instruct U.S. Customs and Border Protection (CBP) to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of fresh garlic both grown and exported by Dongbao until the completion of the new shipper review, pursuant to section 751(a)(2)(B)(iii) of the Act. Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: September 23, 2005.
