#### New England Power Pool; Notice of Filing

September 26, 2005.

Take notice that on September 20, 2005, an informational filing was made by the New England Power Pool (NEPOOL) participants committee relating to rate surcharges determined in accordance with the formula rates of the Restated NEPOOL Open Access Transmission Tariff for transmission charges in effect in the period June 1, 2004 through and including January 31, 2005. NEPOOL states that this informational filing updates an informational filing dated December 9, 2004 made previously in the above-captioned proceedings.

NEPOOL states that copies of these materials were sent to the New England state governors and regulatory commissions and the Participants in NEPOOL.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the

comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all the parties in this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible online at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. #### Northwest Pipeline Corporation; Notice of Application for Abandonment

September 23, 2005.

Take notice that on September 19, 2005, Northwest Pipeline Corporation (Northwest), filed an abbreviated application, pursuant to section 7(b) of the Natural Gas Act and Part 157 of the Commission's regulations, for permission and approval to abandon transportation service for Questar Pipeline Company under Rate Schedule X-79 in Original Volume No. 2 of its FERC Gas Tariff, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Northwest states that the service agreement set forth in Rate Schedule X-79 was terminated effective February 28, 1999 due to inactivity.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and

Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

#### Portland General Electric Company and Stephen Forbes Cooper, LLC; Notice of Filing

September 26, 2005.

Take notice that on September 21, 2005, Portland General Electric Company (PGE), an electric utility, for which Enron Corp., (Enron) owns all of the outstanding common stock, and

Stephen Forbes Cooper, LLC (SFC) on behalf of the Reserve for Disputed Claims (collectively, Applicants) filed with the Commission pursuant to section 203 of the Federal Power Act an application for authorization for the transfer of control over PGE from Enron to SFC, as Disbursing Agent, for and on behalf of the Reserve, and for authorization for the release of New PGE Common Stock from the Reserve to Holders of Allowed Claims, which will occur over a multi-year period. Applicants state that the transaction is a required step in the court-approved Enron bankruptcy plan, and will result in PGE returning to a stand-alone, publicly-traded utility company.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214).
