

concerning progress payments. This OMB clearance currently expires on December 31, 2005.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

**DATES:** Submit comments on or before December 12, 2005.

**ADDRESSES:** Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the General Services Administration, FAR Secretariat (VIR), 1800 F Street, NW., Room 4035, Washington, DC 20405.

**FOR FURTHER INFORMATION CONTACT:** Jeremy Olson, Contract Policy Division, GSA (202) 501-3221.

**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

Certain Federal contracts provide for progress payments to be made to the contractor during performance of the contract. The requirement for certification and supporting information are necessary for the administration of statutory and regulatory limitation on the amount of progress payments under a contract. The submission of supporting cost schedules is an optional procedure that, when the contractor elects to have a group of individual orders treated as a single contract for progress payments purposes, is necessary for the administration of statutory and regulatory requirements concerning progress payments.
