Topic for Comment

The Commission requests comment on the following topic.

International

The adoption of competition or antitrust laws by over 100 jurisdictions around the world, as well as the globalization of commerce and markets, has given rise to the potential for conflict between the United States and foreign jurisdictions with respect to enforcement actions taken and remedies sought. Are there multilateral procedures that should be implemented, or other actions taken, to enhance international antitrust comity? In commenting, please address the significance of the issue, what solutions might reduce that problem, and how such solutions could be implemented by the United States.

Dated: November 9, 2005.

By direction of the Antitrust Modernization Commission.

Based on our analysis of comments received, these final results differ from the preliminary results. The final results are listed below in the *Final Results of Review* section.

EFFECTIVE DATE: November 16, 2005.

FOR FURTHER INFORMATION CONTACT: Dennis McClure or James Terpstra, at (202) 482-5973 or (202) 482-3965, respectively; AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On July 12, 2005, the Department published in the *Federal Register* the preliminary results of the second administrative review of the antidumping duty order on carbon and certain alloy steel wire rod from Trinidad and Tobago. See *Preliminary Results of Antidumping Duty Administrative Review: Carbon and Certain Steel Alloy Steel Wire Rod From Trinidad and Tobago*, 70 FR 39990 (July 12, 2005) ("*Preliminary Results*").

We invited parties to comment on the *Preliminary Results*. On July 26, 2005, we extended the deadline for filing case briefs and rebuttal briefs to August 26, 2005, and August 31, 2005, respectively. On August 26, 2005, we received case briefs from the sole respondent, Carribbean Ispat Limited (now known as Mittal Steel Point Lisas Limited) and its affiliates Ispat North America Inc. (now known as Mittal Steel North America) and Walker Wire (Ispat) Inc. (collectively "CIL"), and the petitioners: ISG Georgetown Inc. (formerly

Georgetown Steel Company), Gerdau Ameristeel US Inc. (formerly Co-Steel Raritan, Inc.), Keystone Consolidated Industries, Inc., and North Star Steel Texas, Inc. CIL and the petitioners submitted rebuttal briefs on August 31, 2005.

On September 1, 2005, CIL submitted a letter to the Department requesting that the Department remove the petitioners' rebuttal brief because it contained a new argument. On September 6, 2005, we returned the petitioners rebuttal brief filed with the new argument. On September 9, 2005, the petitioners submitted a letter objecting to the Department's rejection of its rebuttal brief and also argued that CIL submitted new information and new arguments in its rebuttal brief. On September 13, 2005, the petitioners resubmitted its brief as requested by the Department. On September 14, 2005, the Department sent a letter to the petitioners explaining that CIL's rebuttal brief only contained new information with regards to the referenced website and that the Department would disregard any information referenced from the website.
