

appropriated funds; and in which countries MCC would likely have the best opportunity to reduce poverty, generate economic growth and have a transformational impact).

Selection for Compact Negotiation

The Board also authorized MCC to seek to negotiate an MCA Compact, as described in Section 609 of the Act, with each of the eligible countries identified above that develops a proposal that justifies beginning such negotiations. MCC will initiate the process by inviting newly eligible countries to submit program proposals to MCC (previously eligible countries will not be asked to submit another proposal for FY06 assistance). MCC has posted guidance on the MCC Web site (www.mcc.gov) regarding the development and submission of MCA program proposals. Submission of a proposal is not a guarantee that MCC will finalize a Compact with an eligible country. Any MCA assistance provided under Section 605 of the Act will be contingent on the successful negotiation of a mutually agreeable Compact between the eligible country and MCC, approval of the Compact by the Board, and availability of funds.
