Routine uses of records maintained in the system, including categories of users and the purposes of such uses:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

The DoD 'Blanket Routine Uses' that appear at the beginning of the Navy's Compilation of systems of records notices apply to this system.

Policies and practices for storing, retrieving, accessing, retaining, and disposing of records in the system:

STORAGE:

Manual and automated records.

RETRIEVABILITY:

Records are retrieved by name and Social Security Number.

SAFEGUARDS:

Access is provided on a 'need-to-know' basis and to authorized personnel only. Records are maintained in

controlled access rooms or areas. Data is limited to personnel training associated information. Computer terminal access is controlled by terminal identification and the password or similar system. Terminal identification is positive and maintained by control points. Physical access to terminals is restricted to specifically authorized individuals. Password authorization, assignment and monitoring are the responsibility of the functional managers. Information provided via batch processing is of a predetermined and rigidly formatted nature. Output is controlled by the functional managers who also control the distribution of output.

RETENTION AND DISPOSAL:

Student records: Destroyed after completion of training, transfer, or discharge, provided the data has been recorded in the individual's service record or on the student's record card.

SMART records: Automated SMART (transcripts) are retained permanently. Documents submitted to compile, update, or correct SMART records, which include service record page 4s, transcripts, and certificates, are destroyed after 3 years.

VLS records: Destroyed 2 years after completion of training.

TIMS Records: Automated TIMS records are retained permanently. The records are utilized for near term and historical assessments including training schools/courses, recruit selection criteria, training requirements, individual course completion, school training through-put, and student attrition.
