The applicant requests authorization to import one male and three female, captive-born, juvenile Patagonian sea lions from Park Atlantis, Mexico City, Mexico to the Squalus facilities in Myakka City, Florida. The applicant requests this import for the purpose of public display. The receiving facility is aware of the public display criteria for holding marine mammals for public display and their obligation to demonstrate said criteria prior to acquiring these animals. Squalus' programs are open to the public on regularly scheduled basis with access that is not limited or restricted other than by charging for an admission fee. Squalus offers an educational program based on professionally accepted standards and holds an Exhibitor's License, number 58-C-0648, issued by the U.S. Department of Agriculture under the Animal Welfare Act (7 U.S.C. 2131-59).

In addition to determining whether the applicant meets the three public display criteria, NMFS must determine whether the applicant has demonstrated that the proposed activity is humane and does not represent any unnecessary risks to the health and welfare of marine mammals; that the proposed activity by itself, or in combination with other activities, will not likely have a significant adverse impact on the species or stock; and that the applicant's expertise, facilities and resources are adequate to accomplish successfully the objectives and activities stated in the application.

In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this

application to the Marine Mammal Commission and its Committee of Scientific Advisors.
