

purpose of establishing the identity of a passport applicant who has not submitted adequate evidence with his/her passport application. The primary purpose for soliciting the information is to establish identity and entitlement to issuance of a United States passport, and to properly administer and enforce the laws pertaining to issuance thereof. Lack of identity information may result in the refusal to issue a United States passport. Inaccurate identity evidence could possibly result in issuance of a passport to a non-U.S. citizen or to someone using an assumed identity.

Methodology: The Affidavit of Identifying Witness (Form DS-71) is used in conjunction with the Application for A U.S. Passport (Form DS-11). Along with the DS-71, the customer's insufficient or unacceptable identity documents are recorded. The identifying witness completes the form for a person applying for a passport who is unable to properly identify himself or herself at the acceptance facility/passport agency in the presence of the Acceptance Agent/Consular Officer.

Frank Moss,

Deputy Assistant Secretary for Passport Services, Bureau of Consular Affairs, Department of State.
