Burden Hours: 5,667.

Abstract: The Boy Scouts of America Equal Access Act (Boy Scouts Act), part of No Child Left Behind, and its implementing regulations (which are pending OMB final approval) create new enforcement responsibilities for OCR. To meet these responsibilities, OCR needs to collect assurances of compliance with the Boy Scouts Act, and proposes to do so by amending an existing document that was used to collect assurances of compliance with the other civil rights laws (Title VI, Title IX, Section 504, Age Discrimination Act) enforced by OCR. The respondents are State educational agencies (SEAs) and local educational agencies (LEAs). If an SEA or LEA receives funds made available through Education and violates the Boy Scouts Act, OCR and the Department of Justice can use the signed assurance of compliance in an enforcement proceeding. DATES: Interested persons are invited to submit comments on or before February 6, 2006.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) Is

this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF EDUCATION

Office of Special Education and Rehabilitative Services; Special Education—Training and Information for Parents of Children With Disabilities—Parent Training and Information Centers

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2006; Correction.

SUMMARY: On November 8, 2005, we published in the **Federal Register** (70 FR 67675) a notice inviting applications for new awards for FY 2006 for the Training and Information for Parents of Children with Disabilities—Parent Training and Information Centers competition. The notice contained incomplete funding information and did not include Nebraska among the States for which the Department will accept applications for a 5-year award to establish a parent training and information center (PTI Center). To create a unified system of service delivery, and provide the broadest coverage for the parents and families in every State, the Department makes awards in five-year cycles to each State. Nebraska should have been included in the list of States for which the Department intends to fund one PTI Center to serve the entire State in FY 2006.

On page 67675, third column, and page 67677, first column, the following corrections are necessary: (1) Under *Estimated Available Funds*, the estimated funding amount for the Parent Training and Information Centers competition is corrected to read "\$5,417,915"; (2) the *Estimated Average Size of Awards* is corrected to read "\$285,153"; and (3) the *Estimated Number of Awards* is corrected to read "19".

In addition, on page 67677, second column, the second and fourth paragraphs are corrected to include Nebraska in (1) the list of States for which we will be accepting applications for 5-year awards, and (2) the list of States for which one award may be

made to a qualified applicant for a PTI Center to serve the *entire* State. The chart on page 67677, third column, is also corrected to include Nebraska with a maximum funding amount of \$230,625.
