

*Use of Results*

TSA will use the results of the biographic and biometric data collection to verify an applicant's claimed identity and to perform a security threat assessment on the individual volunteering for the program and check immigration status to ensure eligibility for the program. The security threat assessment is essential for TSA to determine whether the applicant presents, or is suspected of presenting, a threat to transportation security. Individuals who do not pose, or are not suspected of posing, a threat to transportation security, and otherwise meet all other eligibility requirements for the RT program, will be afforded enhanced benefits at the TSA security checkpoints.

TSA Headquarters personnel and individual service providers, air carriers, and airports will use the results of the surveys and interviews to evaluate and improve customer service and operational efficiency of this program.

**DATES:** Send your comments by February 14, 2006.

**ADDRESSES:** Katrina Wawer, Information Collection Specialist, Office of Transportation Security Policy, TSA-9, Transportation Security Administration, 601 South 12th Street, Arlington, VA 22202-4220.

**FOR FURTHER INFORMATION CONTACT:** Katrina Wawer at the above address or by telephone (571) 227-1995 or facsimile (571) 227-2594.

**SUPPLEMENTARY INFORMATION:**

### Comments Invited

In accordance with the Paperwork Reduction Act of 1995, (44 U.S.C. 3501 *et seq.*), an agency may not conduct or sponsor, and a person is not required to respond to a collection of information, unless it displays a valid OMB control number. Therefore, in preparation for OMB review and approval of the following information collection, TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

### Information Collection Requirement

1652-0006; *Employment Standards, 49 CFR Parts 1542 and 1544.* The Aviation and Transportation Security Act of 2001 (Pub. L. 107-71, 115 Stat. 597, Nov. 19, 2001), transferred the responsibility for civil aviation security, including the prescribing of employment standards as outlined above, from the Federal Aviation Administration (FAA) to TSA. In February 2002, TSA implemented its employment standards at 49 CFR parts 1542 and 1544, while the FAA 14 CFR parts 107 and 108 were repealed. Airport operators maintain records of compliance with part 1542 for those employees with access privileges to secure areas of the airport. Air carrier operators maintain records of compliance with part 1544 for selected crew and security employees. TSA civil aviation security inspectors review these records to ensure that the safety and security of the public is not compromised. TSA estimates the annual burden hours to be 130,005.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4980-N-50]

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Kathy Ezzell, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where

property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to John Hicks, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture*: Ms. Marsha Pruitt, Department of Agriculture, Reporters Building, 300 7th St., SW., Washington, DC 20250; (202) 720-4335; *Coast Guard*: Commandant, U.S. Coast Guard, Attn: Teresa

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The IACB is responsible for promoting the development of American Indian and Alaska Native Arts and crafts, improving the economic status of members of Federally recognized Tribes, and helping to develop and expand marketing opportunities for arts and crafts produced by Native American Indians and Alaska Natives. This year, the Secretary of the Interior has mandated that each department complete a Strategic Plan. In conjunction with this plan, the Commissioners for the IACB have requested that the IACB generate baseline numbers that will be included in the Strategic Plan, as well as other statistics that will be used for evaluating and strengthening our Congressional mandate. The IACB has designed a questionnaire that would produce valid and reliable results that can be generalized to the entire universe of study. It is directed toward the Native American Indian and Alaska Native artist/artisan constituency. The questionnaire is to be utilized at Indian markets across the country, which is where most artists and artisans served by the IACB sell their work. Recently, the IACB learned that it would be able to participate in the Santa Fe Indian Market, the largest event in the
