NATIONAL SCIENCE FOUNDATION

Notice of Intent To Seek Approval To Extend and Revise a Current Information Collection

AGENCY: National Science Foundation.

ACTION: Notice and request for comments.

SUMMARY: The National Science Foundation (NSF) is announcing plans to request renewal of this collection. In accordance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), we are providing opportunity for public comment on this action. After obtaining and considering public comment, NSF will prepare the submission requesting that OMB approve clearance of this collection for no longer than 3 years.

DATES: Written comments on this notice must be received by February 17, 2006 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

FOR FURTHER INFORMATION CONTACT:

Suzanne H. Plimpton, Reports Clearance Officer, National Science Foundation, 4201 Wilson Boulevard, Suite 295, Arlington, Virginia 22230; telephone (703) 292-7556; or send e-mail to splimpto@nsf.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8

p.m., Eastern time, Monday through Friday. You also may obtain a copy of the data collection instrument and instructions from Ms. Plimpton.

Comments: Comments are invited on (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including through the use of automated collection techniques or other forms of information technology; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:

Title of Collection: Academic Research and Development Survey Expenditures at Universities and Colleges, FY 2006 through FY 2008; OMB Control Number 3145-0100.

Expiration Date of Current Approval: August 31, 2006.

Proposed Renewal Project: Separately budgeted current fund expenditures on research and development in the sciences and engineering performed by universities and colleges and federally funded research and development centers—A web survey, the Survey of Scientific and Engineering Expenditures at Universities and Colleges, originated in fiscal year (FY) 1954 and has been conducted annually since FY 1972. The survey is the academic expenditure component of the NSF statistical program that seeks to provide a "central clearinghouse for the collection, interpretation, and analysis of data on the availability of, and the current and projected need for, scientific and technical resources in the United States, and to provide a source of information for policy formulation by other agencies of the Federal government," as mandated in the National Science Foundation Act of 1950.

Use of the Information: The proposed project will continue the current survey cycle for three years. The Academic R&D Survey will be a census of the full population of an expected 656 institutions (619 universities or colleges plus 37 federally funded research and development centers—FFRDCs) for academic years FY 2006 through FY 2008. These institutions account for over 95 percent of the Nation's
