SUMMARY: The Commission hereby gives notice that it will proceed with a full review pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty order on pure magnesium from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the review will be established and announced at a later date. For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Estimated time per response: 1.5 hours.

Frequency of response: On occasion, no more than annually (when

respondent wishes to apply for attendance at the Institute).

Abstract: The application is used by the NHPRC staff to establish the applicant's qualifications and to permit selection of those individuals best qualified to attend the Institute jointly sponsored by the NHPRC, the Wisconsin Historical Society, and the University of Wisconsin. Selected applicants forms are forwarded to the resident advisors of the Institute, who use them to determine what areas of instruction would be most useful to the applicants.

The grant proposal is used by the NHPRC staff, reviewers, and the Commission to determine if the applicant and proposed project are eligible for an NHPRC grant, and whether the proposed project is methodologically sound and suitable for

support. The narrative report is used by the NHPRC staff to monitor the performance of grants.

You can also use NARA's Web site at <http://www.archives.gov/nhprc/guidelines/index.html> to review the guidelines. The forms used to apply for a grant can be found at <http://www.archives.gov/nhprc/forms/>.
