DEPARTMENT OF VETERANS AFFAIRS**Privacy Act of 1974; System of Records**

AGENCY: Department of Veterans Affairs (VA).

ACTION: Notice of Amendment to System of Records.

SUMMARY: As required by the Privacy Act of 1974, 5 U.S.C. 552a(e), notice is hereby given that the Department of Veterans Affairs (VA) is amending the system of records currently entitled, "Investigation Reports of Persons Allegedly Involved in Irregularities Concerning VA Laws, Regulations, Etc." (11VA51) as set forth in the **Federal Register** 55 FR 42534. The system of records, maintained by VA's Office of Inspector General (OIG), is being amended to comply with requirements established by the Homeland Security Act of 2002 (Pub. L. 107-296, Nov. 25, 2002). The change to the system is the addition of a new routine use Number 13 to allow the disclosure of information to authorized officials within the President's Council on Integrity and Efficiency (PCIE), who are charged with the responsibility for conducting qualitative assessment reviews of investigative operations for the purpose of reporting to the President and Congress on the activities of the OIG. VA is republishing the system notice in its entirety.

DATES: Comments on the amendment of this system of records must be received no later than January 26, 2006. If no public comment is received, the amended system will become effective January 26, 2006.

ADDRESSES: You may mail or hand-deliver written comments concerning the proposed amended system of records to: Director, Regulations Management (00REG1), 810 Vermont Avenue, NW., Washington, DC 20420, Room 1068; fax (202) 273-9026; e-mail to VARegulations@mail.va.gov; or, through <http://www.Regulations.gov>. All comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1063B, between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (except holidays). Please call (202) 273-9515 for an appointment.

FOR FURTHER INFORMATION CONTACT: Michael R. Bennett, Attorney Advisor, Department of Veterans Affairs, Office of Inspector General, 810 Vermont Avenue, NW., Washington, DC 20420; or fax comments to (202) 565-8113; or e-mail comments to michael.bennett@va.gov.

SUPPLEMENTARY INFORMATION: This publication is in accordance with the Privacy Act requirement that agencies publish their amended system of records in the **Federal Register** when there is revision, change, or addition. VA's Office of Inspector General (OIG) has reviewed its systems of records notices and has determined that its record system, Investigation Reports of Persons Allegedly Involved in Irregularities Concerning VA Laws, Regulations, Etc. [VA (11VA51)], must be revised to add a routine use in order to comply with the Homeland Security Act of 2002. Specifically, section 812, subsection (7) of the Act reads as follows: "To ensure the proper exercise of the law enforcement powers authorized by this subsection, the Offices of Inspector General described under paragraph (3) shall, not later than 180 days after the date of enactment of this subsection, collectively enter into a memorandum of understanding to establish an external review process for ensuring that adequate internal safeguards and management procedures continue to exist within each Office and within any Office that later receives an authorization under paragraph (2) the review process shall be established in consultation with the Attorney General." The additional routine use would allow the disclosure of information to authorized officials within the President's Council on Integrity and Efficiency, the Department

of Justice, and the Federal Bureau of Investigation, as necessary, for the purpose of conducting qualitative assessment reviews of the OIG's investigative operations to ensure that adequate safeguards and management procedures are maintained.

The Report of Intent to Amend a System of Records Notice and an advance copy of the system notice have been sent to the appropriate Congressional committees and to the Director of the Office of Management and Budget (OMB) as required by 5 U.S.C. 552a(r) (Privacy Act) and guidelines issued by OMB (65FR 77677), December 12, 2000.

Approved: December 6, 2005.

Deputy Secretary of Veterans Affairs.

STORAGE:

Records are maintained on paper in individual file folders, on index cards, and on electronic media.

RETRIEVABILITY:

File cards may be indexed by the last name of the subject(s) of an investigation. File folders containing reports of investigation and summaries of the reports are individually retrievable by means of a cross indexing with file cards.

SAFEGUARDS:

Access to the file folders and file cards (which are kept in cabinets) is restricted to authorized personnel on a need-to-know basis. The file room and cabinets are locked after duty hours, and the building is protected from unauthorized access by a protective service.

RETENTION AND DISPOSAL:

Investigation reports are maintained by the Office of Inspector General until final action is taken. Once final action has been taken, the report is sent to the VACO Records Management Section where it is maintained for 5 years. It is then forwarded to the Federal Records Center where it is maintained for 25 years and then destroyed by shredding. File cards and summaries of all investigations are maintained by the Office of Inspector General for 30 years and then destroyed by shredding.

However, a majority of records in this system are exempt from the notification requirement in 5 U.S.C. 552a (j) and (k). To the extent that records in this system of records are not subject to exemption, they are subject to notification. A determination as to whether an exemption applies shall be made at the time a request for notification is received.

However, a majority of records in this system are exempt from the record access and contesting requirement under 5 U.S.C. 552a (j) and (k). To the extent that records in this system of records are not subject to exemption, they are subject to access and contest. A determination as to whether an exemption applies shall be made at the time a request for access or contest is received.

RECORD SOURCE CATEGORIES:

Information is obtained from third-party organizations such as schools and financial institutions, VA employees, veterans and VA records.

SYSTEMS EXEMPTED FROM CERTAIN PROVISIONS OF THE ACT:

Under 5 U.S.C. 552a(j)(2), the head of any agency may exempt any system of records within the agency from certain provisions of the Privacy Act, if the agency or component that maintains the system performs as its principal function any activities pertaining to the enforcement of criminal laws. The Inspector General Act of 1978, Public Law 95-452, mandates the Inspector General to recommend policies for, and to conduct, supervise and coordinate activities in the Department of Veterans

Affairs and between the Department of Veterans Affairs and other Federal, State and local governmental agencies with respect to all matters relating to the prevention and detection of fraud in programs and operations administered or financed by the Department of Veterans Affairs and to the identification and prosecution of participants in such fraud. Under the Act, whenever the Inspector General has reasonable grounds to believe there has been a violation of Federal criminal law, the Inspector General must report the matter expeditiously to the Attorney General.

This system of records has been created in major part to support the criminal law-related activities assigned by the Inspector General to the Office of Investigations. These activities constitute the principal function of this staff.

In addition to principal functions pertaining to the enforcement of criminal laws, the Inspector General may receive and investigate complaints or information from various sources concerning the possible existence of activities constituting non-criminal violations of law, rules or regulations, or mismanagement, gross waste of funds, abuses of authority or substantial and specific danger to the public and safety. This system of records also exists to support inquiries by the Assistant Inspector General for Investigations into these non-criminal violation types of activities.

Based upon the foregoing, the Department of Veterans Affairs Secretary has exempted this system of

records, to the extent that it encompasses information pertaining to criminal law-related activities, from the following provisions of the Privacy Act of 1974, as permitted by 5 U.S.C. 552a(j)(2):

5 U.S.C. 552a(c)(3) and (4);
5 U.S.C. 552a(d);
5 U.S.C. 552a(e)(1), (2) and (3);
5 U.S.C. 552a(e)(4) (G), (H) and (I);
5 U.S.C. 552a(e)(5) and (8);
5 U.S.C. 552a(f);
5 U.S.C. 552a(g).

The Department of Veterans Affairs Secretary has exempted this system of records, to the extent that it does not encompass information pertaining to criminal law-related activities under 5 U.S.C. 552a(j)(2), from the following provisions of the Privacy Act of 1974, as permitted by 5 U.S.C. 552a(k)(2): 5 U.S.C. 552a(c)(3); 5 U.S.C. 552a(d); 5 U.S.C. 552a(e)(1); 5 U.S.C. 552a(e)(4)(G), (H) and (I); 5 U.S.C. 552a(f).

REASONS FOR EXEMPTIONS:

The exemption of information and material in this system of records is necessary in order to accomplish the law enforcement functions of the Office of Inspector General, to prevent subjects of investigations from frustrating the investigatory process, to prevent the disclosure of investigative techniques, to fulfill commitments made to protect the confidentiality of sources, to maintain access to sources of information and to avoid endangering these sources and law enforcement personnel.
