AGENCY: Department of State.

ACTION: Notice.

SUMMARY: A determination has been made that nine entities have engaged in activities that require the imposition of measures pursuant to section 3 of the Iran Nonproliferation Act of 2000, which provides for penalties on entities for the transfer to Iran since January 1, 1999, of equipment and technology controlled under multilateral export control lists (Missile Technology Control Regime, Australia Group, Chemical Weapons Convention, Nuclear Suppliers Group, Wassenaar Arrangement) or otherwise having the potential to make a material contribution to the development of weapons of mass destruction (WMD) or cruise or ballistic missile systems. 2. No department or agency of the United States Government may provide any assistance to the foreign persons, and these persons shall not be eligible to participate in any assistance program of the United States Government;
