

manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

In the September 2004 Order, the Commission approved a TRACE rule to expand transaction dissemination to include secondary market transactions in all TRACE-eligible securities (except Rule 144A transactions), with information on transactions in certain securities disseminated on a delayed basis. In that order, the Commission expressed concern that the remaining dissemination delays could unnecessarily restrict the availability of useful transaction information to investors. The Commission noted that the two studies commissioned by NASD to address the relationship between transparency and liquidity found no conclusive evidence that TRACE dissemination has had an adverse effect on liquidity. Therefore, the Commission stated that it expected NASD to submit a proposed rule change to eliminate the remaining delays in disseminating TRACE information no later than November 1, 2005.<sup>21</sup> NASD has done so.

The Commission believes that this proposal, by eliminating all remaining delays in the dissemination of transaction information on TRACE-eligible securities (except Rule 144A transactions), should provide investors with more up-to-date, and hence more reliable, transaction information for these securities and enhance overall transparency in the corporate bond market. Enhanced transparency for these remaining TRACE-eligible securities should increase the fairness and efficiency of the debt markets, thereby promoting the protection of investors and the public interest. In regard to the BMA's comment that increased transparency has harmed liquidity in high-yield debt securities, the Commission notes that the BTRC has reviewed TRACE statistical data, econometric analyses, and other information and has found no conclusive evidence that the recently increased levels of transparency in these securities have adversely affected corporate bond market liquidity. Furthermore, the BTRC has recommended to NASD that information on all transactions in TRACE-eligible securities (except Rule 144A transactions) be disseminated immediately upon NASD's receipt of the transaction report. The Commission has not been presented with any objective evidence to support the BMA's assertion that immediate dissemination of

transaction information harms liquidity for high-yield debt securities.

The Commission finds good cause for approving Amendment No. 1 to the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register** pursuant to Section 19(b)(2) of the Act.<sup>22</sup> Amendment No. 1 does not make any substantive changes to the proposal but rather offers technical guidance about how transaction data in the affected TRACE-eligible securities will be disseminated in the few days immediately after the rule change becomes effective. Accordingly, the Commission believes that the accelerated approval of Amendment No. 1 is appropriate.

## VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>23</sup> that the proposed rule change (SR-NASD-2005-120) is approved and that Amendment No. 1 thereto is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>24</sup>

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

a. PCXH Acquisition and the Amendment of the PCXH Certificate of Incorporation

Archipelago operates the Archipelago Exchange ("ArcaEx"), an open, all-electronic stock market for the trading of equity securities. On September 26, 2005, Archipelago completed its acquisition of PCXH and all of its wholly-owned subsidiaries, including PCX and PCXE (the "PCXH Acquisition"). The PCXH Acquisition was accomplished by way of a merger of PCXH with a wholly-owned subsidiary of Archipelago, with PCXH being the surviving corporation in the merger and becoming a wholly-owned subsidiary of Archipelago.

The certificate of incorporation of PCXH (as amended to date, the "PCXH Certificate of Incorporation") contains various ownership and voting restrictions on PCXH's capital stock, which are designed to safeguard the independence of the self-regulatory functions of PCX and to protect the Commission's oversight responsibilities. In order to allow Archipelago to own 100% of the capital stock of PCXH, prior to the completion of the PCXH Acquisition, PCX filed with the Commission a proposed rule change which sought to, among other things, amend the PCXH Certificate of Incorporation to create an exception from the voting and ownership restrictions for Archipelago and certain of its related persons (the "Original Rule Filing").<sup>7</sup> The Original Rule Filing, as amended by Amendment No. 1 and Amendment No. 2 thereto, was approved by the Commission on September 22, 2005<sup>8</sup> and the amended PCXH Certificate of Incorporation became effective on September 26, 2005, upon the closing of the PCXH Acquisition.

Article Nine of the PCXH Certificate of Incorporation provides that no Person,<sup>9</sup> either alone or together with its

Related Persons,<sup>10</sup> may own, directly or indirectly, shares constituting more than 40% of the outstanding shares of any class of PCXH capital stock,<sup>11</sup> and that no Person, either alone or together with its Related Persons who is a trading permit holder of PCX or an equities trading permit holder of PCXE, may own, directly or indirectly, shares constituting more than 20% of any class of PCXH capital stock.<sup>12</sup> Furthermore, the PCXH Certificate of Incorporation provides that, for so long as PCXH controls, directly or indirectly, PCX, no Person, either alone or with its Related Persons, may directly or indirectly vote or cause the voting of shares of PCXH capital stock or give any proxy or consent with respect to shares representing more than 20% of the voting power of the issued and outstanding PCXH capital stock.<sup>13</sup> The PCXH Certificate of Incorporation also places limitations on the right of any Person, either alone or with its Related Persons, to enter into any agreement with respect to the withholding of any vote or proxy.<sup>14</sup>

PCX proposed and the Commission approved an exception from the ownership and voting limitations described above to add a new paragraph at the end of Article Nine of the PCXH

subdivision thereof. PCXH Certificate of Incorporation, Article Nine, Section 1(b)(iv).

<sup>10</sup> The term "Related Person," as defined in the PCXH Certificate of Incorporation, means (i) with respect to any person, all "affiliates" and "associates" of such person (as such terms are defined in Rule 12b-2 under the Act); (ii) with respect to any person constituting a trading permit holder of PCX or an equities trading permit holder of PCXE, any broker dealer with which such holder is associated; and (iii) any two or more persons that have any agreement, arrangement or understanding (whether or not in writing) to act together for the purpose of acquiring, voting, holding or disposing of shares of the capital stock of PCXH. PCXH Certificate of Incorporation, Article Nine, Section 1(b)(iv).

<sup>11</sup> PCXH Certificate of Incorporation, Article Nine, Section 1(b)(i). However, such restriction may be waived by the Board of Directors of PCXH pursuant to an amendment to the Bylaws of PCXH adopted by the Board of Directors, if, in connection with the adoption of such amendment, the Board of Directors adopts a resolution stating that it is the determination of such Board that such amendment will not impair the ability of PCX to carry out its functions and responsibilities as an "exchange" under the Act and is otherwise in the best interests of PCXH and its stockholders and PCX, and will not impair the ability of the Commission to enforce said Act, and such amendment shall not be effective until approved by said Commission; provided that the Board of Directors of PCXH shall have determined that such Person and its Related Persons are not subject to any applicable "statutory disqualification" (within the meaning of Section 3(a)(39) of the Act). PCXH Certificate of Incorporation, Article Nine, Sections 1(b)(i)(B) and 1(b)(i)(C).

Certificate of Incorporation, which provides that for so long as Archipelago directly owns all of the outstanding capital stock of PCXH, these ownership and voting limitations shall not be applicable to the ownership and voting of shares of PCXH by (i) Archipelago, (ii) any Person which is a Related Person of Archipelago, either alone or together with its Related Persons, and (iii) any other Person to which Archipelago is a Related Person, either alone or together with its Related Persons.<sup>15</sup> These exceptions to the ownership and voting limitations, however, shall not apply to any "Prohibited Persons,"<sup>16</sup> which is defined to mean any Person that is, or that has a Related Person that is (i) an OTP Holder or an OTP Firm (as defined in the rules of PCX)<sup>17</sup> or (ii) an ETP Holder (as defined in the rules of PCXE),<sup>18</sup> unless such Person is also a "Permitted Person" under the PCXH Certificate of Incorporation.<sup>19</sup> The PCXH Certificate of Incorporation further provides that any Prohibited Person not covered by the definition of a Permitted Person who is subject to and exceeds the voting and ownership limitations imposed by Article Nine as of the date of the closing of the PCXH Acquisition shall be permitted to exceed the voting and ownership limitations

<sup>15</sup> PCXH Certificate of Incorporation, Article Nine, Section 4.

<sup>16</sup> *Id.*

<sup>17</sup> PCX rules define an "OTP Holder" to mean any natural person, in good standing, who has been issued an Options Trading Permit ("OTP") by the Exchange for effecting approved securities transactions on the Exchange's trading facilities, or has been named as a Nominee. PCX Rule 1.1(g). The term "Nominee" means an individual who is authorized by an "OTP Firm" (a sole proprietorship, partnership, corporation, limited liability company or other organization in good standing who holds an OTP or upon whom an individual OTP Holder has conferred trading privileges on the Exchange's trading facilities) to conduct business on the Exchange's trading facilities and to represent such OTP Firm in all matters relating to the Exchange. PCX Rule 1.1(n).

<sup>18</sup> PCXE rules define an "ETP Holder" to mean any sole proprietorship, partnership, corporation, limited liability company or other organization in good standing that has been issued an Equity Trading Permit, a permit issued by the PCXE for effecting approved securities transactions on the trading facilities of PCXE. PCXE Rule 1.1(n).

<sup>19</sup> "Permitted Person" is defined to mean (A) any broker or dealer approved by the Commission after June 20, 2005 to be a facility (as defined in Section 3(a)(2) of the Act) of PCX; (B) any Person that has been approved by the Commission prior to it becoming subject to the provisions of Article Nine of the PCXH Certificate of Incorporation with respect to the voting and ownership of shares of PCXH capital stock by such Person; and (C) any Person that is a Related Person of Archipelago solely by reason of beneficially owning, either alone or together with its Related Persons, less than 20% of the outstanding shares of Archipelago capital stock. PCXH Certificate of Incorporation, Article Nine, Section 4.

<sup>7</sup> See Pacific Exchange, Inc., Proposed Rule Change Relating to the Certificate of Incorporation of PCX Holdings, Inc., PCX Rules, and Bylaws of Archipelago Holdings, Inc., File No. SR-PCX-2005-90 (August 1, 2005).

<sup>8</sup> See SEC Order.

<sup>9</sup> "Person" is defined to mean an individual, partnership (general or limited), joint stock company, corporation, limited liability company, trust or unincorporated organization, or any governmental entity or agency or political

imposed by Article Nine only to the extent and for the time period approved by the Commission.<sup>20</sup>

b. Wave

Wave is an introducing broker for Archipelago's institutional customers and provides such customers with access to ArcaEx and other market centers. Because Wave, a broker-dealer and an ETP Holder of PCXE, is a wholly-owned subsidiary and, consequently, a Related Person, of Archipelago, it falls within the definition of "Prohibited Persons" under the PCXH Certificate of Incorporation. Consequently, absent an exception, Archipelago's ownership of PCXH would cause Wave, as an ETP Holder, to exceed the voting and ownership limitations imposed by Article Nine of the PCXH Certificate of Incorporation. Therefore, in connection with the PCXH Acquisition, PCX requested a temporary exception from the ownership and voting limitations in the PCX Certificate of Incorporation for Archipelago's ownership of Wave until December 31, 2005, subject to the condition that during that interim period Archipelago would continue to maintain and comply with its current information barriers between Wave, on the one hand, and PCX, PCXE and other subsidiaries of Archipelago that are facilities of PCX or PCXE, on the other hand.<sup>21</sup>

The Commission approved PCX's rule proposal regarding Wave (the "Original Wave Exception").<sup>22</sup> In the SEC Order, the Commission stated that the affiliation of an exchange with one of its members that provides inbound access to the exchange—in direct competition with other members of the exchange—raises potential conflicts of interest between the exchange's regulatory responsibilities and its commercial interests, and the potential for unfair competitive advantage that the affiliated member could have by virtue of informational or operational advantages, or the ability to receive preferential treatment.<sup>23</sup> However, noting that the conditions to be imposed during the interim period were designed to mitigate potential conflicts of interest and the potential for unfair competitive advantage, the Commission concluded that it would be appropriate and consistent with the Act to allow a limited, temporary exception for Archipelago to continue its ownership

of Wave.<sup>24</sup> In granting the approval for the Original Wave Exception, the Commission also noted that in addition to being a member of PCX, Wave is a member of the National Association of Securities Dealers, Inc. ("NASD"), a self-regulatory organization ("SRO") not affiliated with Archipelago, and the NASD has been designated by the Commission as the "Designated Examining Authority" for Wave pursuant to Rule 17d-1 of the Act.<sup>25</sup> Furthermore, during the interim period, Wave would continue to be covered by the scope of an agreement between NASD and PCX, which was entered into pursuant to Rule 17d-2 under the Act<sup>26</sup> (the "17d-2 Agreement") and provides for a plan concerning the regulatory responsibilities of NASD with respect to certain members of PCX, including Wave.<sup>27</sup>

c. ATS Inbound Router Function and the Inbound Router Clearing Function

Archipelago currently owns ATS, a wholly-owned subsidiary that is a broker-dealer and an ETP Holder of PCXE. The business of ATS consists of, among other things, acting as an introducing broker for non-ETP Holder broker or dealer clients for securities traded on ArcaEx (the "ATS Inbound Router Function"). Archipelago Securities, a wholly-owned subsidiary of Archipelago, is a registered broker-dealer, a member of the NASD and an ETP Holder. In addition to its other functions, Archipelago Securities provides clearing functions for trades executed by the ATS Inbound Router Function (the "Inbound Router Clearing Function").

<sup>24</sup> *Id.*

<sup>25</sup> *Id.* Pursuant to Rule 17d-1 under the Act, where a member of the Securities Investor Protection Corporation is a member of more than one SRO, the Commission shall designate to one of such organizations the responsibility of examining such member for compliance with the applicable financial responsibility rules. In making such designation, the Commission shall take into consideration the regulatory capabilities and procedures of the SROs, availability of staff, convenience of location, unnecessary regulatory duplication, and such other factors as the Commission may consider germane to the protection of investors, the cooperation and coordination among SROs, and the development of a national market system for the clearance and settlement of securities transactions. 17 CFR 240.17d-1.

<sup>26</sup> Rule 17d-2 provides that any two or more SROs may file with the Commission a plan for allocating among such SROs the responsibilities to receive regulatory reports from persons who are members or participants of more than one of such SROs to examine such persons for compliance, or to enforce compliance by such persons, with specified provisions of the Act, the rules and regulations thereunder, and the rules of such SROs, or to carry out other specified regulatory functions with respect to such persons. 17 CFR 240.17d-2.

<sup>27</sup> See SEC Order, at 56959.

Because ATS, a broker-dealer and an ETP Holder of PCXE, is a wholly-owned subsidiary and, consequently, a Related Person, of Archipelago, it falls within the definition of "Prohibited Persons" under the PCXH Certificate of Incorporation. Consequently, absent an exception, Archipelago's ownership of PCXH would cause ATS to exceed the voting and ownership limitations imposed by Article Nine of the PCXH Certificate of Incorporation. Likewise, because Archipelago Securities, a broker-dealer and an ETP Holder of PCXE, is a wholly-owned subsidiary and, consequently, a Related Person, of Archipelago, and the approvals of Archipelago Securities set forth elsewhere in the SEC Order were limited in scope and did not include its Inbound Router Clearing Function, it falls within the definition of "Prohibited Persons" under the PCXH Certificate of Incorporation. Consequently, absent an exception, Archipelago's ownership of PCXH would cause Archipelago Securities to exceed the voting and ownership limitations imposed by Article Nine of the PCXH Certificate of Incorporation.

Therefore, in connection with the PCXH Acquisition, PCX requested a temporary exception from the ownership and voting limitations in the PCX Certificate of Incorporation for Archipelago's ownership and operation of the ATS Inbound Router Function and the Inbound Router Clearing Function until the earlier of (i) the closing date of the merger of Archipelago and the NYSE and (ii) March 31, 2006, subject to the following conditions: (1) The revenues derived by Archipelago from the ATS Inbound Router Function will not exceed 7% of the consolidated revenues of Archipelago (determined on a quarterly basis), (2) the ATS Inbound Router Function will not accept any new clients following the closing of Archipelago's acquisition of PCXH; and (3) Archipelago will continue to maintain and comply with its current information barrier between the ATS Inbound Router Function on the one hand and PCX, PCXE and the other subsidiaries of Archipelago that are facilities of PCX or PCXE on the other hand.<sup>28</sup> The Commission approved PCX's rule proposal regarding the ATS Inbound Router Function and the Inbound Router Clearing Function (the "Original Inbound Router Exception").<sup>29</sup> In the SEC Order, the Commission stated that the affiliation of an exchange with one of its members

that provides inbound access to the exchange—in direct competition with other members of the exchange—raises potential conflicts of interest between the exchange's regulatory responsibilities and its commercial interests, and the potential for unfair competitive advantage that the affiliated member could have by virtue of informational or operational advantages, or the ability to receive preferential treatment.<sup>30</sup> However, noting that the conditions to be imposed during the interim period were designed to mitigate potential conflicts of interest and the potential for unfair competitive advantage, the Commission concluded that it would be appropriate and consistent with the Act to allow a limited, temporary exception for Archipelago to continue its ownership of the ATS Inbound Router Function and the Inbound Router Clearing Function.<sup>31</sup> In granting the approval for the Original Inbound Router Exception, the Commission also noted that in addition to being a member of PCX, ATS is a member of the NASD and the NASD has been designated by the Commission as the "Designated Examining Authority" for ATS pursuant to Rule 17d-1 of the Act.<sup>32</sup> Furthermore, during the interim period, ATS would continue to be covered by the scope of the 17d-2 Agreement,<sup>33</sup> which provides for a plan concerning the regulatory responsibilities of NASD with respect to certain members of PCX, including ATS.<sup>34</sup>

#### d. TNT

TNT is a wholly-owned subsidiary of TAL. Mr. Putnam owns in excess of 5% of TNT and serves as a director of TAL. Because TNT, a broker-dealer and an ETP Holder of PCXE, is a Related Person of Archipelago by virtue of Mr. Putnam's ownership of in excess of 5% of TNT and service as a director of TAL, it falls within the definition of "Prohibited Persons" under the PCXH Certificate of Incorporation. Consequently, absent an exception, Archipelago's ownership of PCXH would cause TNT to exceed the voting and ownership limitations imposed by Article Nine of the PCXH Certificate of Incorporation. Therefore, in connection with the PCXH Acquisition, the Commission approved the Exchange's request for a temporary exception for Mr. Putnam to continue to own in

excess of 5% of TNT and continue to serve as a director of TAL until December 31, 2005 (the "Original TNT Exception").<sup>35</sup> In the SEC Order, the Commission stated that it believes that such a temporary exception is appropriate and consistent with the Act because it will eliminate the affiliation between TNT and Archipelago but allow Mr. Putnam a reasonable amount of time to effectuate such actions necessary to eliminate the affiliation.<sup>36</sup>

#### e. Extension of the Temporary Exceptions

##### i. Wave

In accordance with the terms of the Original Wave Exception, Archipelago has been working to sell its ownership interest in Wave by December 31, 2005. Archipelago expects to enter into a definitive agreement for the sale of Wave to a third party prior to December 31, 2005. The definitive agreement will condition the sale of Wave upon the satisfaction of certain customary conditions to closing specified in the agreement, and Archipelago would intend to complete the sale as soon as possible following the satisfaction of such conditions. The Original Wave Exception expires on December 31, 2005. In light of the fact that the sale would not be consummated by December 31, 2005, the Exchange hereby proposes to extend the Original Wave Exception to January 31, 2006, subject to the same conditions as applied to the Original Wave Exception described above. Archipelago and the Exchange believe that this extension would be in keeping with the policy justifications for the Original Wave Exception outlined above, while allowing Archipelago to complete the sale of Wave.

##### ii. ATS Inbound Router Function and the Inbound Router Clearing Function

In accordance with the terms of the Original Inbound Router Exception, Archipelago has been working to sell its ownership interest in the ATS Inbound Router Function. Archipelago expects to enter into a definitive agreement for the sale of the ATS Inbound Router Function to a third party prior to December 31, 2005. The definitive agreement will condition the sale of the ATS Inbound Router Function upon the satisfaction of certain customary conditions to closing specified in the agreement, and Archipelago would intend to complete the sale as soon as possible following the satisfaction of such conditions. The Original Inbound

Router Exception expires on the earlier of (i) the closing date of the merger of Archipelago and the NYSE and (ii) March 31, 2006. Given the uncertainty regarding the potential closing date of the merger of Archipelago and the NYSE, the Exchange hereby proposes to extend the expiration date of the Original Inbound Router Exception to January 31, 2006 subject to the same conditions as applied to the Original Inbound Router Exception described above.<sup>37</sup> Archipelago and the Exchange believe that this extension would be in keeping with the policy justifications for the Original Inbound Router Exception outlined above, while allowing Archipelago to complete the sale of the ATS Inbound Router Function.

##### iii. TNT

In accordance with the terms of the Original TNT Exception, Mr. Putnam has been working to eliminate the affiliation. Mr. Putnam expects to enter into a definitive agreement to reduce his ownership in TNT by January 31, 2006. The definitive agreement will condition the transaction upon the satisfaction of certain customary conditions to closing specified in the agreement, and Mr. Putnam would intend to complete the transaction as soon as possible following the satisfaction of such conditions; once the transaction is completed, Mr. Putnam would also cease serving as a director of TAL. The Original TNT Exception expires on December 31, 2005. In light of the fact that the transactions would not be consummated by December 31, 2005, the Exchange hereby proposes to extend the Original TNT Exception until January 31, 2006, subject to the same conditions as applied to the Original TNT Exception described above.<sup>38</sup> In proposing such extension, Archipelago and the Exchange note that the NASD is the "Designated Examining Authority" for TNT pursuant to Rule 17d-1 of the Act. Furthermore, during the interim period, TNT would continue to be covered by the scope of the 17d-2 Agreement, which provides for a plan concerning the regulatory responsibilities of NASD with respect to certain members of PCX, including TNT. Archipelago and the Exchange believe that this extension would be in

keeping with the policy justifications for the Original TNT Exception outlined above, while allowing Mr. Putnam a reasonable amount of time to effectuate the actions necessary to eliminate the affiliation between TNT and Archipelago.

## 2. Statutory Basis

The Exchange believes that the proposed rule change in this filing, as amended, is consistent with Section 6(b) of the Act,<sup>39</sup> in general, and furthers the objectives of Section 6(b)(1),<sup>40</sup> in particular, in that it enables the Exchange to be so organized so as to have the capacity to be able to carry out the purposes of the Act and to comply, and (subject to any rule or order of the Commission pursuant to Section 17(d) or 19(g)(2) of the Act) to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that this filing, as amended, furthers the objectives of Section 6(b)(5),<sup>41</sup> in particular, because the rules summarized herein would create a governance and regulatory structure with respect to the operation of the business of PCX that is designed to help prevent fraudulent and manipulative acts and practices; to promote just and equitable principals of trade; to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities; and to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change, as amended, does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>42</sup> and Rule 19b-4(f)(6) thereunder.<sup>43</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>44</sup>

PCX has asked the Commission to waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Because the Original Wave Exception and the Original TNT Exception each expire on December 31, 2005, and the Original Inbound Router Exception expires on the earlier of (i) the closing date of the merger of Archipelago and the NYSE (which date is uncertain) and (ii) March 31, 2006, such waiver will allow each of Wave, ATS (with respect to the ATS Inbound Router Function), Archipelago Securities (with respect to the Inbound Router Clearing Function), and TNT to remain in compliance with the voting and ownership limitations in the PCXH Certificate of Incorporation. The Commission notes that the Exchange has represented that Archipelago expects to enter into a definitive agreement for the sale of Wave and for the sale of the ATS Inbound Router

Function by December 31, 2005, and that Mr. Putnam expects to enter into a definitive agreement to reduce his ownership in TNT by January 31, 2006. Therefore, the time period for each of the extensions is short and will terminate on January 31, 2006. In addition, the Commission notes that the following protections are and will continue to be in place during the interim period: (i) Wave, ATS, and TNT are members of the NASD as well as PCX, (ii) the NASD is the Designated Examining Authority for Wave, ATS, and TNT pursuant to Rule 17d-1 of the Act, and (iii) Wave, ATS, and TNT are, and will continue to be during the extension, covered by the scope of the 17d-2 Agreement. Further, Archipelago's ownership and operation of Wave, the ATS Inbound Router Function of ATS, and the Inbound Router Clearing Function of Archipelago Securities will continue to be subject to the same conditions as the Original Wave Exception and the Original Inbound Router Exception, as described above and as approved by the Commission in the SEC Order.

For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.<sup>45</sup>
