SUPPLEMENTARY INFORMATION:

I. Background

The uniform regulation for the procurement of supplies and services by federal departments and agencies, the Federal Acquisition Regulation (FAR), was promulgated on September 19, 1983 (48 FR 42102). The FAR is codified in title 48, chapter 1, of the Code of Federal Regulations. HUD promulgated its regulation to implement the FAR on March 1, 1984 (49 FR 7696).

The HUDAR (title 48, chapter 24 of the Code of Federal Regulations) is prescribed under section 7(d) of the Department of HUD Act (42 U.S.C. 3535(d)); section 205(c) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(c)); and the general authorization in FAR 1.301. HUD published the most recent version

of the HUDAR on January 21, 2000 (65 FR 3571, 65 FR 3575).

II. This Final Rule

This final rule revises the HUDAR to better conform to the current FAR; correct or remove obsolete text, clauses, and provisions; and make other revisions to reflect organizational changes within HUD. The following describes HUDAR changes.

Section 2401.103 is revised to reflect the most recent delegations of procurement authority by the Secretary.

Section 2401.601-70 is revised to clarify that the Chief Procurement Officer (CPO), in fulfilling the role of the Department's Senior Procurement Executive, is responsible for the oversight of all departmental contracting operations, both in Headquarters and in the field.

Section 2401.601-71 is removed in its entirety. As a general rule, the Department is removing internal organizational content from its regulations.

Section 2401.602-3 is revised to require that requests for ratifications include specific information concerning the individual who created the unauthorized commitment and to require that requests be signed by the Assistant Secretary or equivalent in Headquarters or by the program office director in the field, as applicable; remove subparagraph (b)(3), which delegated authority for ratifications below the simplified acquisition threshold to one level above the Contracting Officer; provide for different receipt points for requests in the field and Headquarters; and delegate authority to the Deputy Chief Procurement Officer to ratify unauthorized commitments arising in HUD Headquarters.

Section 2401.603-2 is revised to remove agency-specific training requirements and to reflect the qualification standards developed by the Office of Federal Procurement Policy for GS-1102 occupational series employees.

Section 2402.101 is revised to reflect Head of Contracting Activity (HCA) responsibilities.

Section 2406.304-70 is revised to designate the Deputy Chief Procurement Officer as the official responsible for approving justifications for other than full and open competition for certain field procurements.

Provisions formerly at section 2437.110(b) have been revised and added to a new section 2408.802-70. This section applies to solicitations and contracts where the end product is written material and requires the clause

at section 2452.208-71, redesignated from section 2452.237-71, to be used. This clause contains standard requirements for the reproduction of written materials.

Section 2409.507-2 is revised to clarify that the clause at section 2452.209-71, Limitation on Future Contracts, is to be used in solicitations and contracts for services.

Section 2411.404 is revised to require the insertion of an effective date in contract documents for services. This revision does not apply to indefinite-delivery contracts.

Section 2413.307 is removed because the form it prescribes is obsolete.

Section 2415.303 is revised to reflect departmental policy that Assistant Secretaries, or their equivalent, for requiring activities be designated source selection authorities for selections made using the tradeoff process. Assistant Secretaries may delegate this function to other departmental officials. The section is also revised to make minor corrections in terminology.

Section 2415.606 is revised to reflect departmental reassignment of responsibility for Headquarters contracting operations to the Chief Procurement Officer.

Section 2416.406 is revised to clarify the applicability of clause 2452.216-70 to cost-type contracts, add a prescription for a new clause at 2452.216-71, renumber existing clauses, and differentiate the applicability of certain clauses to contracts and individual task or delivery orders.

Section 2416.505 is revised to clarify the circumstances under which Contracting Officers may designate ordering officials who may place task orders under indefinite-delivery contracts and correct the paragraph numbering to correspond to that of the FAR.

Section 2416.506-70 is revised to add a requirement that the Contracting Officer establish a schedule for the definitization of unpriced task orders and for the Head of Contracting Activity (HCA) to approve definitization periods greater than 180 days; prescribe the use of a standard contract clause for specifying the minimum and maximum amounts in indefinite quantity and requirements contracts; prescribe the use of a standard contract clause for inserting estimated quantities for order in requirements solicitations; and prescribe the use of a standard contract clause for ordering procedures under indefinite delivery contracts. In addition, the paragraphs are redesignated.

Section 2419.708 is revised to delete the prescription for the alternate to

clause 2452.219–70 (see 2452.219–70 discussion).

A new section 2419.800 is added to reference HUD's partnership agreement with the Small Business Administration (SBA) that permits HUD to directly award contracts under the SBA's Section 8(a) Program.

Section 2422.1408 is revised to clarify that the clause at 2452.222–70 is applicable when the contract requires the contractor to hold meetings, conferences, or seminars.

Sections 2426.7003 and 2452.226–70 are removed. The certification at 2452.226–70, prescribed by this section, is redundant to the certification prescribed at FAR section 52.219–1, Alternate I.

Section 2432.908 is revised to add a new paragraph (c)(3) to permit the Contracting Officer to tailor payment clauses for situations where payment will not be predicated on the submission of an invoice or voucher (e.g., the contractor is paid directly from the proceeds of the sale of HUD-owned real estate).

Section 2437.204 is added to redelegate the authority in FAR 37.204 to the Senior Procurement Executive.

Section 2442.1106 is removed. Its content was essentially redundant to section 2442.1107.

Section 2442.1107 is revised to clarify the applicability of clause 2452.242–71. A new alternate for use in fixed-price contracts for similar services is added.

Section 2446.502–70 is revised to clarify that the clause is applicable to all contracts.

A new part 2448 and subpart 2448.1 are added to implement FAR subpart 48.1. This new part consists of three new sections: Section 2448.102, entitled "Policies," which states which officials have authority in the value engineering process; section 2448.103, which states rules for processing value engineering change proposals; and section 2448.104–3, which delegates authority for calculating and tracking collateral savings to the Contracting Officer.

Section 2452.203–70 is revised to correspond to terminology used in the FAR.

Section 2452.211–70 is revised to include an effective date when different from the award date and to provide for setting forth any optional ordering periods.

Section 2452.216–71 is removed and replaced by a new section 2452.216–71, which provides coverage for fixed-price-award-fee contracts.

In section 2452.216–72, the prescriptive text citation is corrected. The statement that the Contracting

Officer's decisions are not subject to the disputes clause is removed.

In section 2452.216–73, the prescriptive text citation is corrected.

In section 2452.216–75, the prescriptive text citation is corrected.

New sections 2452.216–76, 2452.216–77, and 2452.216–78 are added to provide standard ordering and other terms for indefinite delivery contracts.

Section 2452.219–70 is revised to correct the clause title, correct the reference to FAR section 52.219–9, delete Alternate I to the clause, and delete information that is redundant to the FAR.

Section 2452.219–71 is removed. All reporting of subcontracting performance data must now be made via the governmentwide Electronic Subcontracting Reporting System (eSRS).

Section 2452.222–70 is revised to clarify that the contractor is responsible for ascertaining the specific accessibility needs of each meeting, seminar, or conference held pursuant to the contract.

Section 2452.226–70 is removed. See comments regarding section 2426.7003.

Section 2452.233–70 is revised to permit the insertion of the Head of Contracting Activity's (HCA) name and address.

Section 2452.237–70 is revised to remove language concerning the ratification in writing of the replacement of key personnel by the contractor, as well as language permitting amendment of the clause to add or subtract personnel. Contractors will still have to obtain prior Contracting Officer approval before diverting or replacing key personnel. The section is also revised to permit the inclusion of specific personnel descriptions, and tasks, duties, efforts, etc., for which each key personnel member is responsible. Last, the revision adds a definition of personnel that clarifies which personnel are key personnel.

Section 2452.237–71 is redesignated as 2452.208–71. The requirement for this clause is more appropriately located under subpart 2408.8, Acquisition of Printing and Related Supplies.

Section 2452.237–73 is revised to clarify that the technical representative is identified at time of award to more clearly prohibit guidance which causes the contractor to perform work outside the statement of work or specifications, to require contractor notification of the appointment of lower tier technical representatives, to provide for the inclusion of other restrictions on guidance specific to individual contracts, and to provide for contractor

notification to the Contracting Officer if the contractor believes that any guidance is in violation of the clause.

Section 2452.237–77 is revised to remove paragraph (d), which was contradictory to the requirements of paragraph (c), and to rename the clause, "Observance of Legal Holidays and Closure of HUD Facilities." This title more accurately describes the requirements of the clause than did its former name, "Observance of Legal Holidays and Administrative Leave." Closure of HUD facilities, rather than the granting of administrative leave to HUD employees, is the proper subject.

In section 2452.239–71, paragraph (d) is revised to substitute the word "limit" for the word "subrogate." "Limit" reflects the intended meaning of the sentence.

Section 2452.242–71 is revised to simplify the language in paragraph (a) and add a new subparagraph (b)(3) in which the Contracting Officer can specify the reporting period; edit the clause to improve its readability; and clarify that when used with individual task orders under contracts, the term contract refers to the task order. An Alternate I is added to tailor the clause for use in fixed-price arrangements.

Section 2452.246–70 is revised to delete the reference to the Standard Form 26, as contract awards may be made on other forms, and to clarify that the clause is applicable to all contracts.

III. Findings and Certifications

Justification for Final Rulemaking

HUD's regulations at 24 CFR 10.1 state that notice and public procedure may be omitted with respect to statements of policy, interpretative rules, rules governing the Department's organization or its own internal practices or procedures. Because this rule is limited to updating the Department's internal practices and procedures as described in the regulations at 48 CFR chapter 24, HUD is omitting notice and comment procedures.

Environmental Impact

This final rule does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate real property acquisition, disposition, leasing, rehabilitation, alteration, demolition, or new construction, or establish, revise or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this rule is categorically excluded from environmental review under the

National Environmental Policy Act of 1969 (42 U.S.C. 4321).

Paperwork Reduction Act

The information collection requirements contained in this final rule are currently approved by the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520) and assigned OMB control number 2535–0091. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a currently valid OMB control number.

Other Matters

Because this rule is limited to internal agency practices and procedures, this rule does not impose unfunded mandates within the meaning of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) or have federalism implications within the meaning of Executive Order 13132 (Federalism).

The Contracting Officer shall ensure that the cost of the work authorized by any unpriced task order is not in excess of the funds available for the order. The Contracting Officer shall establish the time period for the definitization of each unpriced order and insert the anticipated date of definitization in the clause. The HCA shall approve periods that exceed 180 days.

(b) *Minimum and maximum quantities and amounts for order.* The Contracting Officer shall insert the clause at 2452.216–76, Minimum and Maximum Quantities and Amounts for Order, in all indefinite-quantity solicitations and contracts. When the clause is used for definite-quantity or requirements solicitations and contracts, the Contracting Officer shall insert “none” for the minimum quantities and minimum amounts for order. When the quantity amounts are based upon labor rates established in the contract, the Contracting Officer shall use the clause with its Alternate I.

(c) *Estimated quantities—requirements contract.* The Contracting Officer shall insert the provision at 2452.216–77, Estimated Quantities—Requirements Contract, in all solicitations for requirements contracts.

(d) *Ordering procedures.* The Contracting Officer shall insert the clause at 2452.216–78, Ordering Procedures, in all indefinite-delivery solicitations and contracts. If the supplies or services to be ordered under the contract are pre-priced in the contract, the orders will be issued on a fixed-price basis, and no order terms are negotiated before issuance, the Contracting Officer shall use the clause with its Alternate I. If the contract provides for the issuance of task orders for services on a negotiated basis (see also 2416.505), the Contracting Officer shall use the clause with its Alternate II.

PART 2419—SMALL BUSINESS PROGRAMS

■ 25. The authority citation for part 2419 continues to read as follows:
