### Notice of Public Information Collection Requirements Submitted to OMB for Review

*Summary:* U.S. Agency for International Development (USAID) has submitted the following information collections to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding this information collection are best assured of having their full effect if received within 30 days of this notification. Comments should be sent via email to [David\\_Rostker@omb.eop.gov](mailto:David_Rostker@omb.eop.gov) or fax to 202-395-7285. Copies of submission may be obtained by calling (202) 712-1365.

*Supplementary Information:*  
OMB Number: OMB 0412-NEW.  
Form Number: N/A.

*Title:* Minority Serving Institution Database.

*Type of Submission:* New Information Collection.

*Purpose:* The U.S. Agency for International Development (USAID) requests comment on its proposal to expand its existing automated Extranet database to include voluntary registration of U.S. Minority Serving Institutions (MSIs). The existing application, the Small Business Resource Database (SBRD) was placed into production at the beginning of Fiscal Year 2004. Small and Small and Disadvantaged Business interested in pursuing contracts with USAID may register with the Agency on a voluntary basis. These data are then made available via a secure Extranet conduit to Agency Program, Technical and Contact Officers worldwide. The Agency experienced a significant improvement in the amount of contracting with these entities in Fiscal Year 2004, versus USAID's performance in 2003, and in comparison to the

averages for the Executive Branch of the Federal government. The Agency's performance in this regard is published at the following URL: <http://www.sba.gov/GC/goals/Goaling-Report-08-21-2005.pdf>.

USAID proposes to capture the voluntary registration of Minority Serving Institutions (MSIs), who may be interested in pursuing grants with USAID in furtherance of the Agency's international development initiatives. The existing SBRD application, and the Extranet conduit for disseminating these data within USAID would be utilized for this purpose. This action would further the grant-making process and potentially benefit several of the three hundred and fifty-one U.S. MSIs. Additional information regarding the SBRD, which is presently in production, without the proposed expanded registration capability, may be reviewed at the following URL: [http://www.usaid.gov/business/small\\_business/vendorsdb.html](http://www.usaid.gov/business/small_business/vendorsdb.html).

*Annual Reporting Burden:*

*Respondents:* 351.

*Total annual responses:* 351.

*Total annual hours requested:* 87.75 hours.

Dated: January 11, 2006.

*Type of Review:* New Information Collection.

*Purpose:* The U.S. Agency for International Development (USAID) requests comment on its Mentor-Protégé Program Application. The form will be used to apply for participation in the USAID Mentor-Protégé Program. Firms interested in becoming a mentor firm must apply in writing to the USAID/OSDBU. The application shall be evaluated by the nature and extent of technical and managerial support proposed as well as the extent of financial assistance in the form of equity investment, loans, joint-venture support, and traditional subcontracting support proposed.

The Mentor-Protégé agreement contains:

(1) Name, address, phone, and E-mail of mentor and protégé firm(s) and a point of contact within both firms who will oversee the agreement;

(6) Program participation term;

(7) Termination procedures;

(8) Plan for accomplishing work should the agreement be terminated; and

#### Review of Agreement

(1) OSDBU will review the information to ensure the mentor and protégé are both eligible and the information that is required in this Mentor-Protégé Program Guide is included. OSDBU may consult with the Contracting Officer on the adequacy of the proposed mentor-protégé arrangement, and its review will be completed no later than 30 calendar days after receipt by OSDBU.

(2) Upon completion of the review, the mentor may implement the developmental assistance program.

(3) The agreement defines the relationship between the mentor and protégé firms only. The agreement itself does not create any privity of contract between the mentor or protégé and the USAID.

(a) An approved agreement will be incorporated into the mentor or protégé firm's contract with the USAID. It should be added to the subcontracting plan of the contract.

(b) If the application is disapproved, the mentor may provide additional information for reconsideration. OSDBU will complete review of any supplemental material no later than 30 days after receipt. Upon finding deficiencies the USAID considers correctable, OSDBU will notify the mentor and request information regarding correction of deficiencies to be provided within 30 days.

##### Background

The Australian broad-leaved paperbark tree, *Melaleuca quinqueriviae*, commonly called melaleuca, has become a successful invasive weed in southern Florida because of its ability to produce large quantities of seed. Individual trees bear up to 100 million seeds. Massive, simultaneous seed release occurs after fire or when some other event causes drying of the seed capsules, but a steady seed rain occurs even without such an event. Densities of seedlings may be as
