SUPPLEMENTARY INFORMATION: On December 5, 2005, BellSouth Corporation, AT&T Inc., and Qwest Corporation (“Joint Petitioners”) filed a petition asking the Commission to modify RAO Letter 12 to eliminate, at the earliest possible date, the \$1 million materiality threshold applicable to Joint Cost audits and ARMIS filings. Joint Petitioners believe the public interest would best be served if large incumbent LECs use the same materiality standard for both Generally Accepted Accounting Principles (“GAAP”) and Commission regulatory purposes. In the alternative, Joint Petitioners request that the

Commission adopt a percentage-based materiality threshold, rather than an absolute number, for both individual items and aggregate discrepancies for a given reporting period.
