Per diem rates are published on the Internet at [www.gsa.gov/perdiemas](http://www.gsa.gov/perdiemas) FTR Per Diem Bulletins, notice of which is published in the **Federal Register** on a periodic basis. This process ensures timely increases or decreases in per diem rates established by GSA for Federal employees on official travel within CONUS. Notices published periodically in the **Federal Register**, such as this one, now constitute the only notification of revisions in CONUS per diem rates to agencies.
